

Cleaning & Sanitizing a kitchen prep table

STEP #1

USE DISPOSABLE PAPER TOWELS TO REMOVE THE EXCESSIVE DIRT

STEP #2

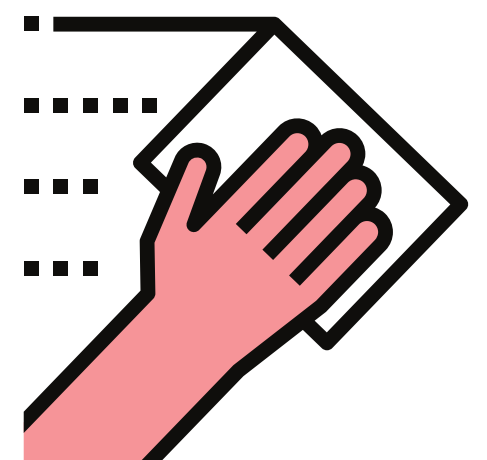

SCRUB THE SURFACE WITH HOT, SOAPY WATER

Make sure all areas are covered!

STEP #3

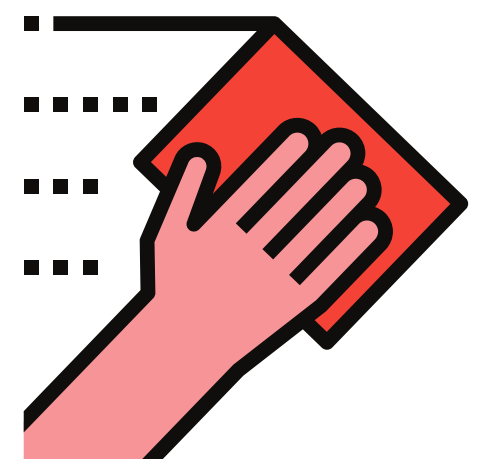

RINSE THE SURFACE OF THE TABLE WITH FRESH, CLEAN WATER

STEP #4

APPLY A FOOD GRADE SANITIZER

Take care to ensure all areas of the surface are covered!

STEP #5

LEAVE THE SURFACE TO AIR DRY

Do not wipe the surface again after you have sanitized it!
