

POLICY TERMS AND CONDITIONS

It is important for your benefit and protection that you read these terms and conditions. These and your certificate, and any changes we notify you about, form your agreement with us. We have not given you a personal recommendation as to whether this policy is suitable for your needs.

Definitions

policy: this contract of insurance.

product(s): the appliance(s) protected by this policy, as shown on your certificate.

we/us/our: Domestic & General Insurance PLC, the provider of the policy.

you/your: the person named on your certificate.

your certificate: the personalised section of your policy documentation, sent to you once you have taken out a policy.

Is this policy for you?

You must be at least 18 years old and resident in the United Kingdom to be eligible. Your product must be:

- owned by you;
- in good working order when you take out the policy;
- located in the United Kingdom; and
- used for personal and non-business purposes only.

Important conditions

- All information you give must be true, factual and not misleading.
- Your product must have been installed, maintained and used in accordance with the manufacturer's instructions.
- Your product must be used in a private home, solely occupied by a single household (at the address you gave to us).
- For products which can store data, you must ensure that your product does not contain any content that may be considered to be illegal, and if we find any content we consider to be illegal, we reserve the right to inform the relevant authorities.

Your responsibilities

You must arrange any work required to make your product accessible and compliant with all relevant safety standards and safe to work on (as determined by our repairer). For example, where there is a pest infestation or if hazardous material is present you will need to arrange for this to be safely removed. You must take reasonable care of your product. This includes caring for it in line with the manufacturer's instructions and not allowing it to be subject to adverse weather conditions. We will not do any work where these standards are not met.

If you do not comply with the conditions and the responsibilities requirements above, we will end your policy.

What this policy covers

Breakdown (after the manufacturer's guarantee)

If your product suffers a mechanical or electrical breakdown after the end of the manufacturer's parts and labour guarantee period, we will (at our option) do one of the following: authorise a repair, arrange a replacement or pay the cost of a replacement product.

Accidental damage (during and after the manufacturer's guarantee)

Both during and after the end of the manufacturer's parts and labour guarantee period, if your product suffers accidental damage (i.e. physical damage as a result of a sudden cause that means the product is no longer in good working order), we will (at our option) authorise a repair, arrange a replacement or pay the cost of a replacement product.

Territorial limits

Your product is covered for claims that occur in the United Kingdom.

How to make a claim

Please let us know about a claim as soon as possible. To make a claim go to www.domesticandgeneral.com/repairs

Alternatively you can call us on the number on your policy documentation to speak to the next available agent.

Repairs

Where we authorise a repair we will pay call-out charges, the cost of labour and the cost of parts (as long as these are not covered by another guarantee or warranty on the product). Only repairers approved by us are authorised to carry out repairs under this policy, unless we agree otherwise in advance. Repairs will be carried out within the repairer's normal working hours (which are at least 9am to 5pm, Monday to Friday, except public holidays) on a date agreed with you. Please have your policy documentation to hand when the repairer arrives.

If we authorise a repair but are unable to find a repairer, we'll permit you to use your chosen repairer. You will have to pay them and claim the cost back from us. Please keep a copy of your invoice to send to us.

If we permit you to use your chosen repairer and the proposed repair is estimated to cost more than the repair authority limit: £150 then you must ring the repair authority line on 0800 597 8580 for an authority number before work starts.

Replacements

In some situations we will arrange to replace your product instead of repairing it (for example where we cannot repair it or we decide that it is uneconomical for us to repair your product). In these circumstances, we will arrange to replace your product with one of a same or similar make and technical specification.

If we cannot reasonably arrange a replacement, we will give you vouchers instead. The vouchers will be for the full retail price (from a retailer chosen by us) of a replacement product of the same or similar make and technical specification. The vouchers will also pay for the delivery.

All vouchers will be valid for 12 months from the date of issue.

Voucher settlements will be sent to the last address you gave us. If vouchers are not available we will provide a cash equivalent.

Product disposal and delivery, installation and other costs

If we arrange a replacement or give you vouchers for a replacement, we will pay the supplier's delivery charge.

If the product is taken or sent away from your home for repair but is then replaced, the original product will become our property and we will dispose of it. If your product remains in your home, you will be responsible for disposing of it at your own cost.

We will pay up to £50 towards installation costs associated with any replacement kitchen product, laundry product or TV provided under this policy. In all other cases you will be responsible for installing the new appliance and paying any related costs.

If we are unable to find an installer for your kitchen, laundry or TV goods, we'll permit you to use your chosen installer. You will have to pay them directly and we will reimburse you up to £50. Please keep a copy of your invoice to send to us.

What happens if your product is replaced?

If we decide to arrange to replace your product (or to pay a settlement towards a replacement), your policy will end immediately. No refund will be due.

Paying your premium

You must pay the premium (inclusive of all applicable taxes) monthly by Direct Debit. You must make regular payments in accordance with the 'Payments schedule' set out in your policy documentation. If we

are unable to collect a payment from your bank we may attempt to request payment again unless you advise us otherwise.

We will collect the payment for the first month of the policy approximately two to four weeks after the start date. Payments for all subsequent months will be collected monthly on your selected payment date (or the next working day if a weekend or bank holiday). This means that the second payment may be collected approximately two weeks after the first payment.

We may use a collection agency to recover any amount owing to us. If you do not pay for your policy on time, it will be suspended from the due date. Any requests for repairs past this date will not be considered for approval unless payment is received.

The premium payable is fixed for the first year of cover. In the future it may increase.

In all cases, we will write to you to give you 30 days' notice of any increase in the premium and you can notify us if you wish to cancel. The notice will show the new amount to pay.

Duration of the policy

The policy period begins on the 'start date', as specified in your certificate in your policy document, and continues indefinitely until cancelled or brought to an end in accordance with these terms and conditions.

You should review this cover periodically to ensure it remains adequate. We will contact you by post, telephone, email or SMS every 12 months to remind you of the benefits and cost of your protection.

Your right to cancel

The 'cooling off period' is the forty five (45) day period from receipt of your documentation or from the policy start date, whichever is later. If you change your mind during the cooling off period, you can cancel your policy and you'll receive a refund of any premium paid.

After the cooling off period – If you cancel your policy after the cooling off period, your policy will remain in place until the end of the period for which you have already paid and you will not receive any refund.

If your policy automatically ends or is cancelled by us, these rights do not apply (see 'Our right to cancel your policy or bring it to an end' below).

How to cancel

If you wish to cancel your policy, please contact us on 0800 597 8615 (8am to 8pm, 7 days a week). You can also cancel by using the cancellation form on our website, or by writing to us, at the addresses specified in the 'Customer services details' section. If you are paying by Direct Debit and tell your bank to cancel your Direct Debit Instruction, but do not contact us first, we will not immediately cancel your policy. If you do wish to cancel, please contact us directly to avoid any communications regarding outstanding payments.

Our right to cancel your policy or bring it to an end

If we have reasonable grounds to believe that you have (or anyone acting for you has) claimed under this policy knowing the claim to be dishonest, exaggerated or fraudulent then we may cancel the policy immediately without any refund of premium or excess (see 'Fraudulent activity' below).

If you fail to comply with certain conditions and obligations (see 'Important conditions' above) we may bring your policy to an end and we will not provide any further services to you under the policy. We reserve the right to cancel your policy by giving you fourteen (14) days' notice. In each case, you will receive a refund of any premium paid for unused days of your policy and we will confirm any such ending or cancellation in writing to the last address you gave us.

If at any time we arrange to replace your product (or give you a voucher settlement), your policy will automatically end (see 'What happens if your product is replaced?' above).

 - provided us with false information, with respect to another policy you hold or have held with us, we may cancel this policy as well as any other policies you have with us and/or reject any applications for new policies (see 'Our right to cancel your policy or bring it to an end' above). Governing law and statutory rights

We will communicate with you in English and English Law will apply unless we agree otherwise with you. Nothing in the conditions will reduce or affect your statutory rights. These rights include the right

After the first six months you will have to prove that the product had a fault when sold to you and the longer it takes for the fault to appear the more difficult this will be. The Financial Services Compensation Scheme

Other providers

You should be aware that extended warranties are available from other high street outlets, insurance companies and other providers. Cover may also be available for limited periods on some products from your credit card provider. Some household contents insurance policies offer cover for accidental damage, fire or theft.
