

Civil and Environmental Engineering Announcements

Week 8 -- Nov 15, 2021

1. Get Involved on Campus

- a. FACE (Female Association of Civil Engineers) Study Social
- b. Private space for student advising appointments
- c. AWWA Last General Meeting
- d. Big Bang Launch

2. Professional Development

- a. State and Federal Careers Panel

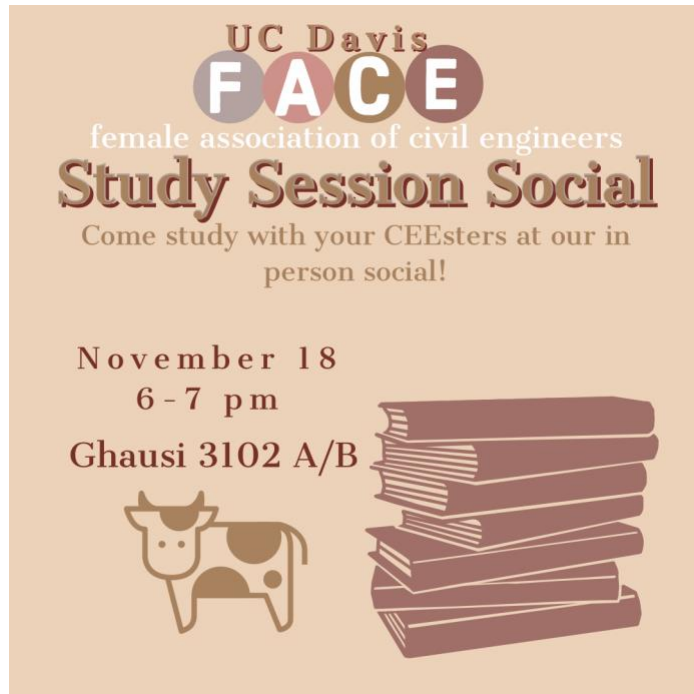

3. Scholarships

- a. AWWA Academic Scholarships
 - b. Gannett Fleming Forces of Change Scholarship
 - c. 2022 Tim Fleming Memorial Scholarship
-

Get Involved on Campus

FACE (Female Association of Civil Engineers) Study Social

Hey CEEsters!! (aha get it?) Did you enjoy the first boba social? Come and join FACE for their second social! Let's take a break from all of these info sessions and socialize! Come join FACE for a study session in Ghausi 3102 A/B for a simple good time vibing, getting to know each other more, and helping each other out for the upcoming midterms and finals! Hope to see some familiar faces there :)

Private space for student advising appointments

Looking for a place on campus to study or have a virtual appointment?

Visit studentaffairs.ucdavis.edu/getting-help/academics/study-materials for locations that can be used if they are not reserved. Be sure to check the schedule on the door before entering to ensure that there is not a current reservation.

AWWA Last General Meeting

AWWA is having their last general meeting tomorrow at 5pm! Join to learn more about the benefits AWWA has to provide and enter in a raffle to win a \$25 visa gift card!! Feel free to invite your friends and classmates and they hope to see you there!

Pizza will be served at Kemper Courtyard (due to indoor eating restrictions) at 5 PM followed by a short presentation about the club and the raffle at Ghausi 1007 at 5:30pm.

For students interested in joining our AWWA Student Chapter. If you maintain your active membership you will receive a stole commemorating your involvement with AWWA. It's not too late to join! Come learn more about what it means to be an active member and the opportunities available to you!

Big Bang Launch

11.15.21 | 5:30–8 p.m.

[Details + RSVP >](#)

Join for the launch of the 22nd annual [Big Bang! Business Competition](#) and discover what's possible! Connect with other Aggie Innovators, hear from past winners—and find out how you can grow as an entrepreneur and compete for cash prizes.

Professional Development

State and Federal Careers Panel

Tuesday, November 16, 5:00 pm - 6:30 pm on Zoom

A panel discussion of current state and federal employees and recruiters who will share their experiences with government service, how they got their start, and advice on how to be a successful applicant.

Panelists:

- Ollie Zanzonico (they/them), Migratory Birds Permits Biologist, U.S. Fish and Wildlife Service (UCD alum)
- Ellie White (she/her), Data Scientist, Water Mission Area of the Integrated Information Dissemination Division, US Geological Survey Data Science Branch (UCD PhD alum)
- Daniel (Dan) Woo (he/him), Team Lead, Climate Change & Health Equity Section, Office of Health Equity at CA Department of Public Health (UCD alum x3!)
- Laura Ayala (she/her), Principal Program Budget Analyst, CA Department of Finance
- Amar Azucena Cid (she/her), Program Manager and Supervising Transportation Planner, Office on Race and Equity, CA Department of Transportation (CalTrans) (UCD alum)

Scholarships

AWWA Academic Scholarships

AWWA Water Equation is offering 24 scholarships and over \$175,000 in funds to award for the 2022-2023 academic year! To apply for any of the scholarships, you must be an undergraduate or graduate student in Fall 2022, and you must be attending a university in North America. Each scholarship will have additional criteria that must be met to apply. Applications are open until December 20, 2021.

To learn more about the application process and necessary qualifications, please visit [Water Equation Scholarships](#) and our [FAQ section](#). If you have additional questions, please contact scholarships@awwa.org.

Gannett Fleming Forces of Change Scholarship

The water industry is at a critical crossroads of aging infrastructure, water scarcity, workforce uncertainty, climate change, and the technological changes of the Fourth Industrial Revolution. Our collective success in addressing these forces of change depends on elevating a diversity of perspectives, backgrounds, and experiences, which is why this scholarship is so important.

Gannett Fleming is proud to offer a \$5,000 academic scholarship to an undergraduate or master's-level engineering student who has a passion for engineering the future of the water industry, is willing to accept an internship, and is seeking a career in California, Florida, Maryland, New Jersey, New York, Pennsylvania, Virginia, or Washington, DC.

2022 Tim Fleming Memorial Scholarship

The Tim Fleming Memorial Scholarship, 11th year of this scholarship, is actively soliciting applications (undergraduate and graduate students) and I highly encourage you to apply! The Information regarding the scholarship is below and view at the attachments for more details.

Tim Fleming Memorial Scholarship will be awarded to a Junior, Senior or Graduate Civil Engineering/Transportation major at University of California Davis, California State University Sacramento, or University of the Pacific. The amount of the scholarship has been increased to \$5000. Tim was an outstanding engineer and volunteer who unexpectedly passed away at the young age of 51. To pay tribute to his legacy as a leader in the engineering community, this scholarship was established in his name. The scholarship is administered by the California Transportation Foundation (CTF).

The scholarship has been given to a UC Davis student in the years of 2013, 2014, 2017, and last year.

Applications for the scholarship are due by December 10, 2021, and the presentation to the scholarship winner(s) will be in February 2022. If you have any questions about the scholarship, please feel free to contact Steve (steve.hiatt9@gmail.com; (916) 601-9106.
