INVOLVEMENT

DEMO DAY

Come join us at the UC Davis Student Startup Center PLASMA DemoDay!

PLASMA is the capstone program of the [UC Davis Student Startup Center](#); it provides our undergrad entrepreneurs with the tools, accountability, and community they need to grow their companies. This 12-week accelerator program prepares UC Davis' most talented undergraduate founders for their formal launch.

May 4, 7 pm | UC Davis California Hall

[Register](#)

available @ 6:30 pm

Undergraduate Research, Scholarship and Creative Activities (URSCA) Conference

The Undergraduate Research Center ([URC](#)) invites you to attend the 34th Undergraduate Research, Scholarship and Creative Activities ([URSCA](#)) Conference. The URSCA Conference is free and open to the public and a great opportunity for you to witness and hear undergraduate presenters and exhibitors share their faculty-sponsored research in an affirming academic environment. Participants are encouraged to view presentations, ask questions, and enter the URSCA research raffle to win prizes. You don't want to miss this event!

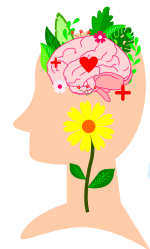

Friday, April 28th, 2 - 5pm | University Credit Union Center

Saturday, April 29th, 1:00 - 4:30 pm | Wellman Hall

QPR Contest and Toolkit

UC Davis offers free suicide prevention training (QPR) to all students and employees. To help promote this opportunity among students, the Aggie Mental Health campaign will host an [incentive program in May](#). The first 1,000 students who complete the QPR training and show their certificate to the Aggie Mental Health Ambassadors will receive a free t-shirt or a UC Davis custom coloring and activity book. Knowing what to do in a suicide crisis can help you save the life of a colleague, student, or even a family member.

CAREER

Geoscience for the Future

Are you interested in geosciences? The [Geological Society of London](#) put together a poster called “Geoscience for the Future,” which maps out the ways that careers in earth sciences can contribute to all of the UN Sustainable Development Goals.
