HISTORY

Cornerstone College & Seminary, founded as Fredericksburg Bible Institute in 1969, was the vision of the late Dr. G. Albert Brown, who more than forty years ago, sought to educate those who desired to know about the Bible.

CHARTER

Fredericksburg Bible Institute was chartered on September 2, 1969, by the State Corporation Commission. On June 5, 2018, Fredericksburg Bible Institute and Seminary changed its name to Cornerstone College & Seminary.

CONFERRAL OF DEGREES

Cornerstone College & Seminary is a religious institution exempt from state regulation and oversight in the Commonwealth of Virginia. CCS confers degrees under a religious exemption through the State Council of Higher Education according to the code of Virginia, Section 23-266 A-2. Although credits may be applied to various degree programs of other institutions, curriculum is theological only.

JOURNEY TO ACCREDITATION

Cornerstone College & Seminary is pursuing accreditation with TRACS – Transnational Association of Christian Colleges and Universities. CCS is currently in correspondence status with TRACS. An application will be made with TRACS in February 2025. Pursuing accreditation does not constitute, imply, or presume accredited status at present or in the future.

MISSION, VISION, INSTITUTIONAL GOALS

Mission: Cornerstone College & Seminary (CCS) provides a Christ-centered pathway to a theological and professional education that fully equips our students for kingdom work in the church and in the world.

Vision: Cornerstone College & Seminary seeks to be a premier educational institution that prepares our students for meaningful lifework.

Institutional Goals: Within the context of the CCS mission, we are committed to equipping students for kingdom work through the following goals:

Understand the Bible and theology to interpret the world around us through a biblical worldview.

Develop a community and a student body who grow in their personal relationship with Christ.

Prepare students to be lifelong learners who can positively impact diverse workplaces.

Equip students to acquire ministry skills for local and worldwide Christian service.

STATEMENT OF FAITH

1 The Bible is the divinely inspired, infallible, inerrant, and revealed Word of God (2 Timothy 3:16).

2 God is revealed in the Scriptures as God the Father, God the Son, and God the Holy Spirit, commonly referred to as the Trinity (Colossians 1:15-18; Acts 5:1-4).

3 The Lord Jesus Christ is fully God. He was born of a virgin; He lived a sinless life; He performed miracles; He was crucified under Pontius Pilate; He shed His blood to save sinners; He rose bodily and was seen by eyewitnesses; He ascended to the right hand of the Father, and all the earth will see Him when He returns in power and glory (John 8:58; Isaiah 9:6; Isaiah 7:14; Matthew 1:18-25; 2 Corinthians 5:21; 1 Corinthians 15:3-7, Acts 1:9-11).

4 The Holy Spirit is the third person of the Godhead and equal with the Father and the Son in every divine perfection. He convicts of sin regenerates, enlightens, endues for service, comforts, and guides believers (John 14:16-18, John 14:26).

5 All humanity in its natural state are sinners, lost, alienated from God, and spiritually dead: "All have sinned and fallen short of the glory of God" (Romans 3:23) and, therefore, need salvation.

6 The Bible, inspired by God, is the final authority for all practices of sexuality, and God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. Any form of sexual immorality (including adultery, fornication, homosexuality, lesbianism, bisexual conduct, bestiality, incest, pornography, and attempting to change one's biological sex) is sinful and offensive to God (Genesis 1:26-27; 1 Corinthians 11:12; Leviticus 18:1-30; Leviticus 20:13; Romans 1:26-29; 1 Corinthians 5:1; 1 Thessalonians 4:1-8; Hebrews 13:4; John 3:3-7; Jude 1:7).

7 Salvation is by grace alone, a gift of God, through repentance and faith in the Lord Jesus Christ, who died for our sins according to the Scriptures (1 Corinthians 15:3). Those who thus receive Christ by faith have their sins forgiven (Ephesians 1:7) and their hearts cleansed (Acts 15:9), become born of the Spirit, become children of God (John 1:12-13) are made new creatures in Christ (2 Corinthians 5:17). They are eternally secure (John 10:28).

8 Only two Scriptural Ordinances exist: Baptism and the Lord's Supper. Baptism is a command of our Lord Jesus Christ. (Matthew 28:18-20). The Lord's Supper is for remembering Christ's death, burial, and resurrection with the anticipation of His return (1 Corinthians 11:26).

9 Christ personally instituted the Church, which He commissioned to make disciples of all nations, to baptize believers, and to teach them to do all things He had commanded (Matthew 16:17; 28:18-20).

10 There are only two classes of humanity in God's sight: saved and lost. The saved, those "Born Again" through faith in Jesus Christ, go to be with Him in conscious blessedness (Luke 23:39-43) after death and shall be raised bodily to live with Him eternally (1 Corinthians 15:35-49); the unsaved shall be separated from God at death and shall be raised bodily to be placed in eternal torment (John 5:28-29).

11 "Born again" Christians live a life dictated by the Holy Spirit (Galatians 5:16-25; Colossians 2:6) and yield to God (Romans 6:13). All Christians are called to share their faith with others by word and deed (Matthew 28:16-20).

ADD/DROP POLICY

Prior to the start of the term through day seven of class, students may add and drop classes without penalty or cost. Starting on day eight of the class, students may drop classes and receive a refund in accordance with the above refund policy. Students may not add a class after day eight of the term.

TRANSFER OF CREDITS

Cornerstone College & Seminary accepts and reviews official and unofficial transcripts from accredited and other reputable Bible Institutes, seminaries, colleges, universities, technical institutes and military training classes. The Registrar evaluates all transcripts and determines all transferable courses and credits. All transfer credits are at the discretion of CCS, and each course transferred in must have a grade of "C" or better for undergraduate students and a "B" or better for all graduate students. In order to be eligible to graduate from CCS, a student must complete at least 25% of degree coursework at CCS. Some graduate- and doctoral-level degree programs require a greater percentage of coursework completed at CCS.

LIFE EXPERIENCE CREDITS

Life Experience Credits (LEC) are credits awarded for prior learning in a professional or ministerial context. Students must fill out the appropriate paperwork and pay an evaluation fee in order for the credits to apply to their degree program. No more than thirty (30) credits may be applied to any degree program. The Bachelor of Religious Studies has the most room to accept LEC transfer.

APPROVED COURSE WORK

The academic year is divided in two semesters, fifteen weeks each, and one summer session of eight weeks. An undergraduate student must carry at least twelve (12) credit hours to be classified as a full-time student. The maximum number a student can carry per semester is fifteen hours, unless otherwise approved by the Academic Dean. A graduate student must carry at least nine (9) credit hours to be classified as a full-time student.

CREDIT HOURS

One credit hour constitutes 750 minutes of instruction per term. Instruction comprises lecture or equivalent instructor-led activity. Most courses are three credit hours and meet for sixteen weeks. Three-credit summer and mini terms meet for eight weeks, and

class time is supplemented by increased instructor-led activity and homework. A student may not miss more than two classes per sixteen-week semester.

FULL TIME/PART TIME STUDENT STATUS

Undergraduate Full Time Status = 12 credits or more per semester

Undergraduate Part Time Status = 11 credits or less per semester

Graduate Full Time Status = 9 credits or more per semester

Graduate $\frac{3}{4}$ Time Status = 6 - 8 credits per semester

Graduate $\frac{1}{2}$ Time Status = 4-5 credits per semester

Graduate less than $\frac{1}{2}$ Time Status = 3 credits or less per semester

AUDITING A COURSE

A student may audit any course without taking an examination or receiving credit. Those desiring to audit a course must register for the course and pay tuition and fees. Tuition is half the cost of a course taken for credit. If a student desires to change from audit status to credit status, he/she must do so before the first examination. (Audit courses cannot be certified for Veteran's benefits).

CLASS ATTENDANCE

Class attendance and participation are important. Any student who misses more than two classes out of a fifteen-week period will receive an "F" unless an emergency or special arrangement approved by the professor and the Academic Dean has been made. Tardiness of fifteen minutes or more for three class periods will be counted as one absence. (Students receiving Veteran's Benefits are monitored for attendance by the Veteran's Administration).

PROBATION AND DISMISSAL

Any student who fails to achieve a 2.0 grade point average or better will be placed on academic probation for the following semester. If the student fails to achieve a 2.0 grade point average at the end of the next semester, he or she will be academically withdrawn from classes. If the student is a veteran, the VA will be notified immediately of the change in academic status.

When a student fails to make satisfactory progress because of conduct or a disciplinary problem, the student will be placed on probation or dismissed. If the student is a veteran, the VA will be notified immediately of the change in academic status. If the cause of the unsatisfactory conduct or progress has been corrected, and it is believed through counseling that the program the veteran or eligible person now plans to pursue is suitable to the student's ability and interest, the student may be re-certified for entrance to an approved educational program.

INACTIVE STUDENT STATUS

CCS classifies current students as students who are enrolled on the first day of any class, course, or program for which the student registered plus 1 semester subsequent to the last day of the last course the student was enrolled in. If the student has not registered and attended a class in the last 2 semesters (any two semesters in spring, summer, or fall), the student will be placed in “inactive” status. Students interested in returning to the college will have to reapply to the college (and pay the new student fee) and will be placed in the current year’s academic catalog programming. Students who register and withdrawal from all classes two semesters in a row (spring, summer, or fall) will be considered “inactive”.

INCOMPLETE COURSE POLICY

** CCS strives to create an environment for student academic success. While it is recognized that extenuating circumstances can occur, CCS requires that students complete all course work within the time allotted per semester or term. If a student has documented extenuating circumstances that prohibit him or her from completing the coursework, the professor has the option to extend an extension to the student for an additional two weeks after the official course end date for the student to complete assignments. The professor will post the current course grade for the student within 7 days of the end of the course. If the student completes additional assignments that increase the points earned in the course resulting in a course letter grade change, the professor will submit a grade change to the Dean of Students. If the student does not earn additional points that result in a letter grade change for the course, the original course grade remains on the student’s record. No exceptions may be made except by the permission of the professor and the Academic Dean. Students are encouraged to

reach out for assistance from their professor promptly at any time they are struggling in a course.

VETERAN'S TUITION POLICY

In accordance with section 3679 (e), students who are eligible for veteran's benefits but whose disbursements are delayed are NOT charged late fees. They will neither be prohibited from attending classes or using school resources, nor will they be required to borrow funds as their benefits are pending. Students are, however, required to produce the VA Certificate of eligibility on or before the first day of class.

Veterans have a different refund policy: Cornerstone College & Seminary has and maintains a policy for the refund of the amount charged for tuition, fees, and other charges for a portion of the course that does not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to the total length. CCS may charge a sum which does not vary more than 10% from the exact pro rata portion of such tuition, fees, and other charges. Where the established registration fee is more than \$10, the amount in excess of \$10 will be subject to proration.

VETERAN GRIEVANCE POLICY

The Virginia State Approving Agency (SAA), is the approving authority of education and training programs for Virginia. The SAA investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact the SAA office via email saa@dvs.virginia.gov.

VETERANS BENEFITS

This institution is approved to offer GI Bill® educational benefits by the Virginia State Approving Agency. Courses by correspondence or distance learning are not approved for VA benefits.

Servicemen, veterans and their dependents will be assisted in every way possible in their academic pursuits. Interested students must submit a VA Certificate of Eligibility on or before the first day of class in order to be enrolled. Additional information is available from the Registrar. The VA will be notified of any change in the status of your enrollment, to include placed on probation, dismissal, failure, or academic withdrawal.

RELIEF, REFUND, AND REINSTATEMENT TUITION GUIDELINES FOR VETERANS

Tuition and Required Fees. Catalog p.16ff

Room and Board. N/A

1. Deposits. The new student application, registration, and student services fees will be refunded if a student withdraws for military service with no plans to return. If the student plans to return, CCS may hold the fees as a credit toward the term in which the student will enroll.
2. Academic Credit. Students who are forced to withdraw for military service will receive the designation “incomplete” or “IP” on their transcripts. Incompletes must be addressed before the start of the next major term (fall or spring) or at a time agreed upon by student and professor considering the student’s circumstances.
3. Reinstatement.
 - a. General Provision: A student is entitled to reinstatement without having to re-qualify for admission if:
 - i. the student returns to the same institution after a cumulative absence of not more than five years, and
 - ii. the student provides notice of intent to return to the institution not later than three years after the completion of the period of service.
 - b. Institutional policies will defer to the provisions of the Higher Education Opportunity Act for application of relevant exceptions to these time periods.
 - c. Reinstatement into Specific Program of Study: Students will be counseled on a case-by-case basis regarding the effect of their absence on the completion of their program. Students will be able to re-enroll in the same course of study if the coursework related to the degree is available. If the courses are not available, the Registrar and Academic Dean shall make provisions to accept equivalent coursework toward the old program or to enroll the student in an equivalent new program.
4. Deferral of Enrollment: All students may defer their enrollment for up to one year upon approval from the Registrar. Veteran students may defer their enrollment for up to one year after they are approved for coursework.
5. Documentation. To preserve their prerogatives under these policies, students must submit written notice of their military service before they depart. Students must also have submitted a VA Certificate of Eligibility to the Registrar.

We will seek to provide an atmosphere conducive to developing Christ-like character of modesty and humility within the entire community; and any lack of moral or academic integrity will be deemed as inappropriate conduct as set forth by this Code.

Examples of conduct that will constitute a breach of this Code include, but are not limited to, plagiarism, cheating, violence, lawlessness, illegal drug use, excessive drinking, and drunkenness. Romantic intimacy and/or sexual acts outside of biblically defined marriage for Christians (i.e., one biological man and one biological woman) are not acceptable for any member of the CCS community. Drugs and alcohol are strictly prohibited on CCS grounds. Falsely accusing any other member of the CCS community of violating the Code and providing false testimony against any person accused of such a violation are breaches of the Code as well. A person who personally knows a violation of the Code has occurred, but fails to report such information, breaches the Code themselves; the sole exclusion to this requirement is information obtained in confidential faculty and staff counseling relationships with students. This exclusion is intended to provide redemptive mechanism to assist students in integrating theology and practice and in no way is designed to excuse behavior that breaches the Code.

CCS reserves the right to discipline or dismiss any student, faculty, or staff member that is found guilty of violating the Code or whose attitude and behavior are not in harmony with the moral ideals of the school, this Code of Ethics, or the moral standards of the Bible.

STATEMENT ON MARRIAGE, GENDER, AND SEXUALITY

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one’s biological sex is a rejection of the image of God within that person.

We believe that the term “marriage” has only one meaning: the uniting of one biological man and one biological woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a biological man and a biological woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a biological man and a biological woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hatful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture.

SEXUAL HARASSMENT POLICY

Sexual Harassment is defined as conduct based on sex that occurs within a CCS education program or activity that is unwelcome when the individual did not request or invite the conduct, and regarded it as undesirable or offensive. The fact that an individual may have tolerated the conduct does not mean that they welcomed it. Sexual harassment is a violation of the college ethics policy and will not be tolerated among any individual on campus including but not limited to staff, administration, faculty, students, volunteers, and visitors. The process for reporting harassment is detailed below in “Ethics Violation Adjudication Process”. Victims of sexual harassment are encouraged to report the event immediately to an administrative staff member.

Students who receive counseling, tutoring, or mentoring in a mixed gender format from other students, administration, or faculty are encouraged to do so in an observable, public forum to avoid one-on-one, private conversations. This helps keep the campus community above reproach in interpersonal interactions.

PLAGIARISM, ARTIFICIAL INTELLIGENCE, AND ACADEMIC HONESTY

Student Writing Policies

1. All assignments college wide will be prepared in accordance with the current MLA style of formatting.
2. Assignments will be submitted through electronic upload into Populi online or through hard copy submission in class (with the permission of the teaching professor). Students should refer to the course syllabus or course professor for specific instructions.
3. Submittal of late assignments is up to the discretion of each course professor.
4. Submittal of “extra credit” assignments is up to the discretion of each course professor.
5. The course requirements as listed in each course syllabus are subject to change by the professor or the college.
6. CCS courses are writing intensive, and the college adheres to a strict plagiarism policy.
7. Students are expected in all written assignments to ensure none of the content is plagiarized. When a student submits an assignment under his or her name, it is understood that the writing is the student’s own personal work contemporaneously written originally for the course in which it is submitted (reusing previously written work even if it is written by the student constitutes “self plagiarism” unless the student has prior approval from the course professor). Plagiarism is defined as using the work of another as one’s own without giving credit to the source. It is the failure to give attribution to the words, ideas or information of others on papers, projects or any assignment prepared for a course. It includes, but is not limited to:
 1. Omitting quotation marks or other conventional markings around material quoted from any source;
 2. Paraphrasing, summarizing, or quoting a passage from a source without referencing the source;
 3. Purchasing or acquiring material of any kind and representing it as one’s own work; and replicating another person’s work and submitting it as one’s own work.
 4. Plagiarism can be intentional and unintentional. Intentional plagiarism occurs when the student types word for word or copies and pastes direct words from a source. Unintentional plagiarism occurs when a student does not master the material to the degree he/she can write in his/her own words resulting in using phrases, ideas, words, and factual information directly from the source. The best way to avoid plagiarism is to read, study, and master the source information while making brief notes. The student then sets the source information aside and while using his/her own brief notes crafts polished grammatically correct sentences.

Student use of Artificial Intelligence

All work by students must be an original creation by the student. The exception is for works to which the student has given proper credit by use of proper citations. The use of AI to create novel content for academic purposes is prohibited. There are two exceptions to this prohibition: 1) an instructor specifically authorizes use of AI for a specific purpose; and 2) the student's use of AI is within the "ethical use" exceptions (see background section of this policy for what is considered ethical use). When AI is used under these exceptions and the results are incorporated into a student's submission, the use of AI must be disclosed (cited) within the resultant paper or product.

The use of AI to academically cheat is prohibited. Forms of AI cheating include, inter alia, producing papers or writing prompt responses (in whole or in part), creating essays (in whole or in part), plagiarizing, assisting in answering test questions, helping to paraphrase a quote, using AI to summarize another's work when the assignment requires a summary, or in any other way defeating standards of academic and Christian integrity. If in doubt, the principle the student must remember is that all work must be a student's own creation unless properly cited as the work of others.

Students should understand that detection methods of AI use and AI evasion are employed by CCS. The use of AI without prior permission will be considered tantamount to plagiarism since AI generated material contains unacknowledged and uncited content.

ETHICS VIOLATION ADJUDICATION PROCESS

1. Students may report ethics violations to any member of faculty or staff.
2. The faculty or staff member who has discovered or has been informed of the violation must report it to the President or Provost.
3. The President or Provost will task the Ethics Committee to investigate the matter, gathering information from as many eyewitnesses as possible and from the person accused of wrongdoing.
4. If the Committee has probable cause that the accused has violated the Code of Ethics, it may require that the accused attend a formal hearing.
 - a. The accused may choose to have representation and/or witnesses present.
 - b. The Ethics Committee is strongly encouraged to allow the accused person to record formal hearings.

- i. However, mass distribution without the expressed written consent of the chosen representative of the Ethics Committee and the accused person is prohibited.
5. If the Committee is not convinced that wrongdoing has occurred, then it will notify the President or Provost in writing.
6. If the accused person confesses to an ethics violation, the Committee can use the confession to submit its judgment to the President or Provost.
 - a. If the Committee is not satisfied with the confession, it may require that the accused person attend a formal hearing to establish further wrongdoing.
7. If wrongdoing has been established, the Committee shall recommend discipline to the President or Provost, who shall have the discretion to act in accordance with the recommendation.
 - a. The Ethics Committee may recommend dismissal as a form of discipline.
 - i. The offending party must appeal the decision to the CCS Board within 7 days.
 - ii. Any decision of the Board based on the appeal shall be final.
 - iii. A dismissed student may reapply for admission no sooner than two regular terms after the offense (e.g., a student dismissed in fall may reapply for the next fall term). The Ethics Committee may make an admissions recommendation.
 - b. Any recommendation short of dismissal must come with a pathway to restoration.

STUDENT GRIEVANCE POLICY

Purpose statement: Provide a fair, equitable, orderly, and efficient pathway for students to find a solution for grievances in academic and student services matters.

Recipients of services: Current CCS students

Provider of services: Student Grievance Counsel (Dean of Students, chair; Dean of Academics, Administrative Dean, and one faculty member)

Examples of academic grievances: Arbitrary and /or capricious action by a faculty member, application of academic policy, final course grade dispute, unjust dismissal from a program.

Examples of Student services grievance: Arbitrary and/or capricious action by staff, interpretation of college policy, unfair application of college policy.

The purpose of this grievance policy is to provide a fair, equitable, orderly, and efficient process of additional formal support for students who cannot find resolution through the information steps in problem solving at the college. Students who initially have a problem will take the following steps prior to filing a formal grievance report with the Student Grievance Counsel.

Level 1 Academic grievance:

1. The student will meet with the professor for a resolution. If that is not sufficient, the student takes step two below.
2. The student will meet with the academic dean to find resolution.

Level 1 Student services grievance:

1. The student will meet with the staff or faculty member in charge of the service for a resolution. If that is not sufficient, the student takes step two below.
2. The student will meet with the administrative dean to find resolution.

Students are expected to follow the above informal grievance steps prior to filing a formal grievance complaint with the Student Grievance Counsel. If the student is not satisfied with the outcome from the level 1 process, the student will then proceed to a level 2 complaint.

Level 2 Academic or Student Services Grievance

Upon receiving a student formal grievance form, the student grievance counsel will fact find, meet with the student, meet with the involved staff or faculty members, and formulate an action plan, and render a written decision within 15 business days unless additional time is needed due to extenuating circumstances. Students must file a formal grievance form within 30 business days or six weeks from the date of the situation. The grievance form may be submitted to the Dean of Students through the grievance form link: <https://forms.gle/oUtC2y5cT4NB5P1T9>

The grievance form may also be found on the college website under student services.

Level 3 Academic or Student Services Grievance

Should a student continue to be unsatisfied with the formal grievance decision by the Student Grievance Counsel, the student may make an appeal to the college president. The student must email the Dean of Students to make this request within 20 business days of the counsel's grievance decision. The appeal decision from the college president is final and the president's decision will be delivered to the student via email.

The Student Grievance Counsel will investigate and take appropriate disciplinary action with any student who retaliates against staff, students, faculty, or the college based on the final grievance decision.

The college maintains written and/or electronic records of all grievances. Counsel meetings with students will be recorded.

Unless there is a risk to the safety of students, staff, or others, the student may continue in the class and/or program while the counsel investigates and a final decision is made.

Once the counsel makes a Level 2 decision, the student may be removed from the class, program, and/or college.

The Student Grievance Counsel can neither formulate nor change college policies.

Gary Foss Memorial Scholarship Academic Policy

All scholars understand that their progress at Lancaster Bible College (LBC) will be visible to their Cornerstone College & Seminary (CCS) advisors. If CCS advisors do not have direct access to their course progress, GFM Scholars may be asked to present their progress to their CCS advisor or the CCS Registrar.

All scholars must maintain full-time enrollment and must graduate within two years of the awarding of the scholarship. The sum of CCS and LBC credits must be 12 or greater during each fall and spring semester. If a student desires to enroll in fewer

classes in a given term and make up the difference during a summer term, they must obtain guidance from their advisor, the CCS Registrar, and the Provost.

All scholars must maintain a GPA of 2.7 or higher. Any student who receives a C- or below in any class may be a candidate for academic probation.

Scholars who have an F or who fail to participate in their LBC class must withdraw from the class before the end of LBC's add/drop period, or they will be charged LBC's tuition.

Any scholar who fails to meet the minimum GPA requirement in a given semester will be placed on probation and/or will be asked to meet with a representative group from the Scholarship Selection Team (SST). The SST reserves the right to recommend withdrawal of all or part of the scholarship if the members are not sufficiently convinced that the student is committed to improving. The Final Selection Team (FST) will make the final decision.

Academic probation may consist of mandatory study halls or remedial instruction, depending on the case.
