- ATTRACTION RATING SYSTEM To better assist you in choosing attractions you may wish to experience, each of our rides has been rated according to the following system. Ratings are based on the intensity, speed and directional changes of each individual The Attraction's rating can be found on the Fun & Safety Guide sign at the entrance of each ride. Please be aware of the recommendations and restrictions for any attraction you choose to ride.
- MILD RIDE This is a low-speed and/or shallow water attraction intended for closely supervised toddlers and young children.
- MILD THRILL RIDE This is a low to medium-speed attraction and/or water depth of up to 48 inches. Some rider control and maneuvering and/or swimming skill required. Riders may encounter smooth transitions with some changes in elevation and speed. This attraction is not intended for unsupervised toddlers or very young children.
- INTERMEDIATE THRILL RIDE This is a medium-speed attraction and/or water depth greater than 48 inches. This attraction requires rider control and /or strong swimming skill. Physical activity may be strenuous. Riders may encounter unexpected changes in direction and/or speed during portions of the ride.
- A HIGH THRILL RIDE This is a fast-paced ride experience and/or deep water attraction. This attraction requires upper or full body control and/or strong swimming skills. Riders will encounter changes in speed, direction, elevation, and/or deep water, some of which may be unexpected. This ride is not recommended for guests with physical, mental and/or medical limitations or for guests who fear heights, high speed or enclosed places.

WARNING! For safety, you should be in good health and without recent surgery or illness and free from high blood pressure or any condition or limitation of the heart, back, neck or bones that may be aggravated by most park attractions. Expectant mothers should not ride. Please see the Fun & Safety signs at the entrance of each ride for specific health and safety guidelines.
