FOUNDATION
PECB CERTIFIED ISO 18788
Course Agenda

Course Overview:

Program Overview:

Become acquainted with the best practices of Security Operations Management System (SOMS) based on ISO 18788

Why should you attend?

The ISO 18788 Foundation training enables you to learn the basic elements to implement and manage a Security Operations Management System (SOMS) as specified by ISO 18788. During this training course, you will be able to understand the different modules of a SOMS, including the SOMS policy, legal requirements/implications, risk assessment, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a "PECB Certified ISO 18788 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.

Who should attend?

▷ Individuals involved in Security Operations

▷ Individuals seeking to gain knowledge about the main processes of a Security Operations Management System (SOMS)

▷ Individuals interested to pursue a career in Security Operations Management

Course agenda   Duration 2 days

Day 1:

: Introduction to Security Operations Management System (SOMS) concepts as required by ISO 18788

Day 2:
