FLEXUS SURR 100
WIRELESS SURROUND SPEAKERS

Klipsch®

A MULTIDIMENSIONAL HOME THEATER EXPERIENCE
Thanks to immersive Dolby Atmos technology, the Klipsch Flexus Surround 100 speakers create a true multichannel surround sound setup. Hear music, movies, and games placed in 3D around and above you for realistic, spatial sound.

WALL MOUNTABLE FOR FLEXIBLE PLACEMENT
With a $\frac{1}{4}$-20 threaded insert on the back and power conveniently located on the bottom, Flexus Surrounds can be wall mounted for maximum immersion or used on a flat surface.

KLIPSCH TRANSPORT TECH FOR ULTIMATE CONNECTIVITY
Enjoy lightning-quick connections across multiple channels with Klipsch Transport technology. Add these Flexus Surrounds and a Flexus Subwoofer (or two) to your Klipsch Flexus Core product for truly epic sound.

SIMPLE SETUP, SLEEK STYLE
Individually powered with no junction boxes or power adapters to conceal, the Flexus Surround Speakers are a streamlined solution for multichannel home theaters. Because the controls, power, and LED lights are hidden below the surface, you don't have any distractions in a pitch-black room – just awesome sound and clean aesthetics.

ECO-CONSCIOUS PACKAGING
We're committed to providing great sound for generations - which is why our packaging is designed to be earth-friendly, with careful consideration to minimize waste and maximize recyclability.

POWERED BY ONKYO®
Meticulously reviewed by our engineers at sister company Onkyo, the Klipsch Flexus system passed over 1,000 rigorous tests to ensure awesome audio performance and stellar interconnectivity.
