1000+ students

3–18 ages

40 different countries

Cambridge Curriculum

National State Curriculum

IGCSE, AS and A Level

Moscow & St.Petersburg & Tashkent

You are invited to come and call Cambridge International School home and work alongside our values-orientated, dynamic, and enthusiastic teachers from 20 countries around the world. Our young school has a growing family of 200+ talented educators who have come for an enriching and rewarding experience, as well as a little bit of adventure.

Our mission is to equip students with the high quality academic skills and social competences enabling them to fulfill their human potential as responsible open-minded global citizens.

## REQUIREMENTS

A teaching degree (QTS, PGCE/PGDE, or equivalent) recognized for teaching in the UK or overseas combined with a minimum of two years teaching experience;

Proven experience in teaching the relevant age group;

Outstanding commitment and ability to engage students and assist in developing their social, creative, and academic skills;

An up-to-date Police Clearance / DBS certificate from the country of your most recent teaching post (this will be required to present at any future interview).
