A GREAT GIFT FOR COFFEE DRINKERS

- Personalized to the gift receiver's taste - there's something for everyone!
- Bags with their name on it, for an extra-special touch

COMMITTED TO SUPPORTING SMALL FARMERS

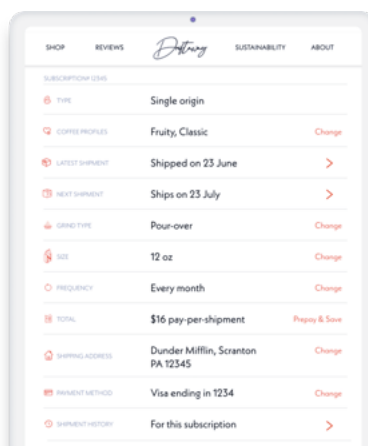

- Sourcing from small farmers around the world
- Unique Farmer feedback program so customers can send coffee feedback to farmers

“ Received my first DriftAway coffee as a gift. It's a heaven for sustainability geeks – consider compostable coffee bags. It's a joy for coffee lovers, it's a dream for any coffee company to present so many different farmers, work with them directly and share their stories. From philosophy to concept, from caring for the earth to fair pay labor – no better coffee company exists yet so far, to my humble opinion. - Lilia V / Google Business Review
