Professional Licensure: This program leads to a recommendation for NYS certification; please check for certification requirements in all other states (<https://academicaffairs.buffalostate.edu/professional-licensure-disclosures/>)

This program is designed for students who have earned a baccalaureate degree with coursework in fine arts, design, and/or art education from an accredited college or university and intend to complete the coursework required for New York State certification to teach visual art. After successfully completing the teacher-certification program and passing required New York State teacher certification exams, students are eligible to apply for New York State initial certification through the Teacher Certification Office, Chase Hall 222. No degree or certificate is awarded by Buffalo State.

Students are expected to complete the entire sequence of coursework and are responsible for any additional certification requirements established by the New York State Teacher Certification Division, including fingerprinting and at least four state-mandated seminars. Students in the program may elect to attend part time or full time, yet must attend full time during the student teaching semester. Courses are offered in spring and fall semesters (excluding summer) during the day to accommodate practical experiences in public schools.

Candidates should consult the Teacher Certification website for current seminars and workshops. <https://teachercertification.buffalostate.edu/seminars-and-workshops>

Advisement

Academic advisers are assigned by the department and must be consulted each semester in order to register for courses and finish in a timely manner. Students remain responsible for fulfilling department and college requirements specific to the program.

Financial Assistance

For financial aid purposes, students in this program are considered fifth-year undergraduates, eligible for undergraduate loans.

Admission Requirements

- For students to enroll and remain in the program, they must have a minimum GPA of 3.0.
- A portfolio review is required for admission to the program.
- In addition, all applicants should review the Admission to a Graduate Program (<http://ecatalog.buffalostate.edu/graduate/admission-graduate-program/>) section in this catalog.
