

Celebrating 100 years of
the 19th Amendment

Frances Ellen
Watkins Harper
(1825-1911)

"I say, then,
that justice
is not fulfilled
so long as
woman is
unequal before
the law."

THE SUFFRAGE PROJECT

19

The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex. Congress shall have power to enforce this article by appropriate legislation.

Paintings by Mary Kline-Misol

The 19: Suffrage Project honors women like the one featured in this portrait.
