Re: Notification of SA-SAMS release 23.0.0

Dear Provincial EMIS Heads

This memo serves to inform you that the SA-SAMS version 23.0.0 is released on 27 February 2023 after the following quality assurance processes were completed:

- Subject Specialists (Policy Owners) and National Examinations and Assessment sections checked and verified that the release accurately reflects the Programme of Assessment for every subject in all Grades both in the GET and FET bands. This release has been confirmed and signed off by the Chief Directors and Directors of Curriculum, National Examinations and Assessments and EMIS.
- Testing and confirmation from Provincial EMIS

Version 23.0.0 focuses on the 2032 Curriculum settings and content of changes is tabled below:

Function description	Impact on system administration and reporting
1. Curriculum 2023	<ul style="list-style-type: none"> • Schools to verify the POA for all subjects (12.3.11), then capture marks (12.3.12) and generate quarterly schedules (12.7.18) and reports (12.7.19).
2. Amend NSC registration form	<ul style="list-style-type: none"> • Schools must identify if a learner is a fulltime repeater, also select the correct address. The POPIA disclaimers to be added.

The latest version with notification on the changes will be made available on the Thutong website. It will be appreciated if you can make the necessary arrangements to distribute the latest version of SA-SAMS to all schools.

Kind regards
