Dear Contractor,

Per the City of Elkhart Ordinance, Chapter 153 Section 18, we are eligible to charge re-inspection fees. Due to the large amount of re-inspections we will now be enforcing the ordinance by charging re-inspection fees. There is no charge for the initial inspection. All Ordinances are up for review and fees may increase substantially. Please see below for a copy of the section of the ordinance. For the full City of Elkhart Ordinance, please visit the link:

(11) Re-inspection or special inspection fees. The re-inspection fees set forth below will be assessed for each inspection required due to code violations, the failure to correct violations, lock-outs when inspections have been requested, or any special inspections. Re-inspection fees are to be paid in the Permit Center prior to the re-inspection.

- (a) First re-inspection: \$30.
- (b) Second re-inspection: \$60.
- (c) Third and each subsequent re-inspection: \$80.

If you have any questions, please contact the appropriate inspector.
