ANNUAL SPECIAL REPORTS

ADDITIVE ADVANCES – JAN 2025

The Engineer Additive Manufacturing Digital Supplement in partnership with AMUK will showcase advancements in additive manufacturing, featuring expert insights and market analysis. Distributed via The Engineer's and AMUK's platforms, suppliers can participate with double-page advertorials.

SALARY SURVEY – MAR 2025

The Engineer's Salary Survey is one of the most comprehensive reports into both salaries in UK industry and job satisfaction. Providing accurate salary information for all job levels to help members and companies formulate competitive salaries.

TOP EMPLOYERS – SEPT 2025

The Top Employers report details the views of our audience, across all sectors of UK industry, to understand what makes a Top Employer in today's competitive market. The results provide a vital insight into who are viewed as the best companies to work for across industry in the UK and why.

TECH TRENDS – DEC 2025

Tech Trends is an engineering and manufacturing community report revealing the key issues and technologies that will shape the coming 12 months from leading industry figures and companies.

These unique opportunities allow clients to have total control of the content and address the issues that are important to them.

ADVERTISING SOLUTIONS

DIGITAL ADVERTISEMENT

BRANDED SOLUS EMAIL BROADCAST - £2,250

Fully branded and designed email sent to 18,000 3rd party positive senior engineering professionals.

SPONSOR THE DAILY ENEWSLETTER - £1,450

Over 60,000 engineering directors and senior engineers opt-in to receive our Daily E-Newsletter. Sponsorship includes a banner ad top and bottom of the newsletter.

INCLUDE A PROMOTED CONTENT LINK - £650

SPONSOR THE STUDENT ENGINEER NEWSLETTER – £1,000

The Student Engineer is a monthly newsletter designed to educate and inspire engineering undergraduates, offering practical careers advice. Sponsorship includes a leaderboard banner, a sponsored content piece, and recognition across the issue's marketing materials.

ARTICLE PROMOTION – £1,450

Boost your brand's visibility with sponsored content—submit your article to be featured across our website, daily newsletter, and social media platforms, reaching our engaged audience.

SOCIAL POST – £500

Get your message in front of industry leaders—share your content on our social channels for maximum visibility and engagement with our audience.

LEAD GENERATION OPTIONS

TE TALKS - £3,330

A brief, focused interview with one of our editorial team members on a topic relevant to your organisation and The Engineer's 160k+ cross-industry audience (e.g., supply chain challenges). Recorded and edited by our team on our webinar platform. Available as a standalone or mini-series, with client usage rights for their platforms.

WEBINAR SPONSORSHIP - £6,995

Webinars deliver a database of new and relevant sales leads whilst informing the industry about your products and services.

ONLINE PANEL DISCUSSION SPONSORSHIP - £7,250

Work with the Editor to deliver an Online Panel Discussion attended by 4 industry experts, discussing a topic relevant to the industry and your objectives.

ROUNDTABLE SPONSORSHIP - £14,995

Work with the Engineer events and editorial team and exclusively sponsor a half day, on-the-record discussion attended by 12 senior industry figures discussing a topic relevant to your objectives.

RESEARCH PARTNER - £12,250

Research projects create exclusive market insight and deliver you a valuable bank of knowledge which can be turned into a lead generation and thought leadership campaign.

**For more information on inclusions get in touch with the team.*

SUPPLIER NETWORK

CONTENT PUBLISHING ON THE SUPPLIER NETWORK - £4,980 FOR 1 YEAR LICENSE.

Taking out a full publishing license allows you to upload as much content as you wish over a 12-month period to your own dedicated company profile page.

Your licence includes placement in our various supplier network newsletters and flexible positioning options tailored to your company's needs.
