<b>Mz.thread:</b>	Muzzle thread: Early G43 and some late K43 made by BLM had a threaded muzzle and a muzzle nut. All bcd had a muzzle nut.
<b>Dual rail</b>	The last K43 made by Walther in 1945 had a dual bolt guide rail. All other had only one on the left side
<b>Mill.hous</b>	Milled housing: A few early Walther and early and late BLM had a milled bolt-housing. All other had a bolt-housing made of stamped steel.
<b>Durofol</b>	A great part of G43 produced by BLM had a Durofol handguard.
<b>Bolt stop</b>	Most K43 made by Walther in 1945 didn't have a bolt stop (bolt hold open).
