Welcome Message from the President of European Athletics

I am very pleased to welcome everyone to Espoo and the European Athletics U23 Championships.

Finland has a very important place in the history of European Athletics – for its achievements both on and off the track – and I am sure the latest chapter which will unfold here will be just one of many to come in the story of collaboration between the continental governing body of our sport and this country where athletics has such a rich heritage.

Finland has hosted three European Athletics Championships and two World Athletics Championships as well as many other important athletics competitions, including the European Athletics U23 Championships twice before in 1997 and 2013.

In addition, it was one of just 17 founder members of World Athletics back in 1912 and is one of only six European Athletics Member Federations to have provided a President of our organisation in the 53 years since its foundation.

It is indeed a quite considerable body of achievement that Finland has contributed to our sport for well over a century.

Consequently, I feel confident that these championships will be a magnificent occasion which will be remembered fondly for many years to come and that they will be superbly organised, with all the competitors given rousing support from Finnish athletics aficionados who are renowned for their enthusiasm and knowledge.

This could be a very successful championships for Finland, who have won eight gold medals and climbed the podium 44 times in the 13 editions since the European Athletics U23 Championships were inaugurated in 1997 when the host was another Finnish city, Turku.

This country can boast of many upcoming U23 talents not least Silja Kosonen and Saga Vanninen who won gold medals at the 2021 European Athletics U20 Championships and World Athletics U20 Championships in the hammer and heptathlon respectively, with Vanninen defending her global U20 crown last summer.

In addition, the 2021 European U20 3000m champion Ilona Mononen could challenge for medals in the long-distance events in front of her friends and family here in Espoo, keeping alive the famous tradition of the Flying Finns, while Topias Laine is still young enough to defend his U23 title from two years ago in that most beloved discipline by Finnish fans, the javelin.

To conclude, I would also like to offer a big thank you on behalf of European Athletics to the Finnish Athletics Federation – Suomen Urheiluliitto ry – the Espoo 2023 Local Organising Committee, and public authorities especially the City of Espoo as well as all the other host institutions, partners, officials and volunteers.

I would like to wish everyone an enjoyable and memorable four days of competition.

A handwritten signature in black ink, appearing to read 'D. Karamarinov'. The signature is stylized and fluid, with a prominent flourish at the end.

Dobromir Karamarinov
European Athletics President

Welcome Message from Local Organising Committee

Welcome to European Athletics U23 Championships!

The European Athletics U23 Championships will be held in Finland for the third time. The first championships for this age group were held in Turku in 1997, and this year's championships will be held at the refurbished Leppävaara Stadium, organised by the local athletics clubs Espoo Tapiot and Esbo IF as well as the City of Espoo.

Finland has a long and strong tradition of hosting major championships in athletics. The goal of the Local Organising Committee of the Espoo 2023 European Athletics U23 Championships is to continue this tradition by making sure everything at the championships works, the atmosphere is good, and the athletes can focus on their performances and enjoy participating.

Big thanks go to the City of Espoo for the considerable contributions they have made it so that it has been possible to host these championships.

The construction of the Kameleonten hall that serves as competition centre and warm-up arena, as well as the new surface of Leppävaara Stadium are a gesture of goodwill towards athletics in Espoo and Finland.

I also wish to thank European Athletics for its confidence, help and support in organising the championships.

Lastly, I wish to thank all our partners and volunteers who, in various roles, have helped us host and organise these championships.

To you, the athletes, I wish you success!

A handwritten signature in blue ink that reads "Kimmo Oila".

Kimmo Oila
Chair of the Local Organising Committee
Espoo 2023 European Athletics U23 Championships

Impressum

This book was made for the 2023 European Athletics U23 Championships in Espoo.

Historical statistics were taken from the previous 13 editions of the European Athletics U23 Championships held between 1997 in Turku and 2021 in Tallinn.

All records (European and National records) and the European All-Time lists reflect the results received until 25 June 2023.

Please send any comments to competition@european-athletics.org
