EUROPEAN ATHLETICS
CHAMPIONSHIPS

European Athletics President's Welcome Message Roma 2024

I am very pleased to welcome everyone to the Roma 2024 European Athletics Championships, the 26th edition of the continental championships.

This championship marks a return to a city and a stadium that is steeped in athletics history with Rome having played host to every single major international championship in our wonderful sport.

The stadium, which will be the focal point of these championships, were the centrepiece of the 1960 Olympic Games, a truly memorable one which saw a myriad of European records and many Olympic champions crowned from Europe.

Fourteen years later, and fifty years ago, the 1974 European Athletics Championships were the most important athletics competition anywhere in the world that year, replete with enthralling contests and outstanding performances. Many of the heroes and heroines of that championship will be celebrated and honoured during this edition.

Turning the clock further forward, the 1987 World Athletics Championships here in Rome as well.

In addition, the annual Diamond League meeting in the Olympic Stadium is a jewel in the crown of our sport in Europe and continually shows how popular athletics is with the Italian public well beyond just the dedicated aficionados.

With almost 200 world records and world bests having been set in Rome, dating back to the start of the 20th century, there is something about this historic and captivating city that seems to inspire everyone, but especially athletes competing at the very highest level.

Consequently, I have no doubt that Roma 2024 will be remembered in equally glowing terms as all those other competitions I have mentioned once the curtain comes down on these championships after what I anticipate will be six thrilling and enthralling days here in Rome.

Roma 2024 will showcase the very best our sport can offer, both on and off the track, with the European stars of our sport in action here and aiming to enhance their reputations ahead of the Paris 2024 Olympic Games.

European Athletics would like to say a very big thank you to the Italian athletics federation – Federazione Italiana di Atletica Leggera (FIDAL) – the Roma 2024 Local Organising Committee, the City of Rome, its Council and other public authorities as well as all the officials and volunteers involved with the championships for their hard work, commitment, and enthusiasm.

A handwritten signature in black ink, appearing to read 'D. Karamarinov'. The signature is fluid and stylized, with a long horizontal stroke extending to the right.
