However, **the total number of athletes without qualifying standards per European Athletics Member Federation shall not exceed two men and two women in total.**

If the host country of the European Athletics U20 Championships does not have a qualified athlete in one of the disciplines, it may enter one athlete in this discipline regardless of any Entry Standard. **The acceptance of these unqualified entries is at the discretion of the Technical Delegates, considering the number of entered athletes but always ensuring the quality of the event.**

Relay teams (503.7): Each European Athletics Member Federation may enter 1 (one) team in each relay event. Up to 8 (eight) athletes may be entered for each relay. From these 8 (eight) and from any other athletes entered for any event in the European Athletics U20 Championships, the 4 (four) athletes to participate must be nominated at the time specified for the Final Declaration.

For Race Walks the results will always be accepted;
