**Results revision  
Discus Throw Women**

**Item: 4**

The jury has reviewed all available evidence.

It was found that the SWE Round 3 throw, was incorrectly recorded.

The recorded distance of 61.68m was evidently much longer than the actual throw which can be seen on the video.

This was ascertained by comparable images and showed the throw to be closer to 60m than the distance recorded.

Subsequently 9 athletes took a further three throws.

Following numerous appeals, the jury studied the images in detail.

It was found that the Round 3 throw of the SWE athlete would not have been sufficient to advance her to the final.

As a result, the SWE throws in round 4,5 and 6 become invalid.

This was an unfortunate case of human error, however the result is now in full accordance with all WA Rules and the competition has concluded.
