August 2024

Dear Chenango Valley Middle School Seventh and Eighth Grade Families,

I hope this letter finds you well and enjoying your summer break. As we prepare for the new school year, I want to share an important update regarding the Middle School Orientation previously communicated for our seventh and eighth grade students.

Due to the school's construction schedule and cleaning efforts, we needed to reschedule the orientation event originally planned for August 20. After further review, we also decided to restructure the event for our seventh and eighth grade students.

**Seventh and eighth grade students and families can do a self-guided building and classroom tour of the school and familiarize themselves with their lockers on Tuesday, September 3, from 6:00 – 7:00 PM.** While there will also be sixth grade families and students at the school for orientation during this time, a formal orientation event will not be held for seventh and eighth grade students as they are already familiar with the school. If your child is new to the school, please reach out if you need further support.

We will mail out students' schedules before this date. This will help familiarize them with the times and locations of their classes so they are prepared for their walk-through experience. If you cannot attend, there will be ample opportunities to get lockers set up on the first day of school.

Students should have received their school supply lists earlier in the summer. These lists are also available on the district website at the following link:

<https://www.cvcasd.stier.org/BacktoSchool2024.aspx>. Please take a moment to review the lists and ensure that your child has all the necessary supplies for a successful start to the school year.

As always, if you have any questions, please reach out. Thank you for your ongoing support and partnership. On behalf of the Chenango Valley Middle School, we look forward to welcoming our students back for another exciting year on Thursday, September 5!

**Seventh and Eighth Grade Building Walk-Through Opportunity:  
Tuesday, September 3, at CV Middle School**

6:00 – 7:00 PM: Self-Guided Building and Classroom Tour/Locker Set-Up

Sincerely,

A handwritten signature in blue ink that reads "Eric E. Attleson".

Eric E. Attleson  
Middle School Principal
