

Brokerage Fee Schedule

At Alpaca Securities LLC, our mission is to provide general brokerage services for free. However, there are some services used by our customers that cannot be provided for free because there is a direct cost associated with those services, that is, the service is not shared among all of our clients. Even in those instances, Alpaca will strive to provide the service at the lowest possible price to ensure that our clients benefit from low costs and we can continue to offer those services.
