

INDOOR AIR QUALITY SOLUTIONS^o FOR CLEAN AIR

Rheem® offers an exceptional line of Indoor Air Quality products that allows the customer to control what is in the air they breathe.

Our products are designed to clean the air by focusing on filtration, UV application and photocatalytic oxidation.

How Does It Work

Filtration

Our Indoor Air Quality products control air contaminants by reducing them to acceptable levels or by removing them completely by directing them through a filter.

Ultraviolet Light

UVC light cleans the air by reducing air contaminants so that they are no longer circulated throughout the home.

Photocatalytic Oxidation (PCO)

Photocatalytic oxidation (PCO) technology, activated by the UVC, breaks down harmful VOCs into harmless carbon dioxide and water vapor. Carbon filter panels provide additional protection.

Breathe Easy

Indoor air is filled with particulates, gases, and germs that can cause illness and aggravate asthma and other respiratory problems. Asthma and allergies strike 1 out of 5 Americans according to the Asthma and Allergy Foundation. According to the U.S. Center for Disease Control (CDC), indoor air contains three types of pollutants: germs, particulates, and gases. This pollution is a major source of allergic reactions.

Particles such as dust, smoke, pollen, pet dander, and dust mites are too small to see with the naked eye, but they can be a major problem for those with allergies and asthma. Germs aren't always visible, there could be bacteria on surfaces at home or other places where people gather like schools or offices. VOCs or volatile organic compounds are airborne toxins that cause allergic reactions due to off gassing of household cleaners, paints, air fresheners, and other sources.

Did You Know...

- According to the EPA, indoor air pollutant levels are often 2 to 5 times higher than outdoor levels, and in some cases can exceed 100 times that of outdoor levels of the same pollutants.
- VOCs may cause eyes, nose and throat irritations, headaches, liver and kidney damage and nausea.
- Radon is the 2nd leading cause of lung cancer.
- Second-hand smoke and microbiologicals can lead to allergic reactions, asthma and other respiratory ailments.

EXACT-FIT MEDIA AIR CLEANERS

- Comes with a high-efficiency MERV 13 filter to trap particles as small as .5 micron, including pollen, dust, and dander
- Installs into ducted central heating and air conditioning systems
- Easy media filter replacement
- Meets ANSI/ASHRAE 52.2 standards
- Robust heavy duty metal construction
- Perfect for any residential or commercial forced air heating or cooling system up to five tons
- 10-year limited warranty

PART NUMBER	WORKS WITH	CABINET SIZE (in.)	MEDIA SIZE (in.)	RATED AIR FLOW (cfm)	MERV RATING	MERV 13 REPLACEMENT MEDIA
RXGF-E17M13	Gas Furnace	17.5 x 28 x 6.875	17.5 x 28 x 5	1800	13	54-109477-01

IN-DUCT UV AIR TREATMENT SYSTEM

- Compact lamp head design
- Built-in twist lock safety switch
- Easy lamp replacement
- Ballast and power head pre-wired. External ballast mounted separately for installation flexibility.
- 10-year limited warranty (lamp: 90 days)
- Replacement Lamp: 54-109479-02

PART NUMBER	MIN. DUCT WIDTH (in.)	SIZING (tons)	VOLTAGE	LAMP WATTAGE	LAMP INTENSITY (W/cm ² @ 1m)	LAMP LIFE
RXAQ-AV26N0	16	1.5 – 5.0	120	30	62	2 years
RXAQ-AV46N0	16	1.5 – 5.0	24	30	62	2 years

IN-DUCT UV/PCO AIR TREATMENT SYSTEM

- Powerful UVC light
- Photocatalytic oxidation (PCO) technology
- Compatible with existing duct work
- Virtually maintenance free
- Easy to install
- 10-year limited warranty (lamp: 90 days)
- Replacement Lamp: 54-109479-02

PART NUMBER	MIN. DUCT WIDTH (in.)	SIZING (tons)	VOLTAGE	LAMP WATTAGE	LAMP INTENSITY (W/cm ² @ 1m)	STATIC PRESSURE (in wc)	LAMP LIFE
RXAQ-AP26N0	16	1.5 – 5.0	120	30	62	.02	2 years
RXAQ-AP46N0	16	1.5 – 5.0	24	30	62	.02	2 years

3-IN-ONE ELECTRONIC AIR CLEANER

- Photocatalytic oxidation process transforms odors and volatile organic compounds (VOCs) into harmless, odorless water vapor and carbon dioxide
- Powerful UVC light
- MERV 13 media filter efficiency of 92.30% particulate reduction at .3 microns
- 10-year limited warranty (lamp: 90 days)
- Replacement Lamp 54-109479-01
- Replacement Filter 54-109478-01

PART NUMBER	CABINET SIZE (in.)	MEDIA SIZE (in.)	SIZING (tons)	VOLTAGE	LAMP WATTAGE	LAMP INTENSITY (W/cm ² @ 1m)	STATIC PRESSURE (in wc)	LAMP LIFE
