

# Electronic Bankruptcy Notification+

## Simplify bankruptcy notifications

Never miss a bankruptcy with proven best-in-class data and tools

### Consolidate notifications

Merge your Bankruptcy Noticing Center (BNC) notices into a single data feed.

### Stay in compliance

Avoid automatic stay violations and fines. Never miss a court-required action.

### Reduce overhead

Eliminate manual reviews associated with cross-checking paper and email notices.

## Benefits

### Identify new filings automatically with fast and reliable notifications

- Ensure you are working from current and accurate bankruptcy data.
- Eliminate paper mail, duplicate notices, and manual reviews.
- Reduce financial, legal, and reputational exposure.
- Minimize losses and maximize recoveries.
- Enhance with non-standard and non-docketed events.

## EBN+ bankruptcy notification process

### Eliminate duplicative effort and manual reviews with automated daily notifications
