Mr. Goosby was wanting the Metcalf/Beachton Rd to be considered on the T-SPLOST. Mr. Goosby stated that the road was on a list the Regional Commission had identified needing to be paved. Mr. Goosby asked the board how the roads had been chosen. The board responded that the worst road in each district was placed on the T-SPLOST. The board also stated that if there were funds left over from the T-SPLOST that they could move on to addressing other roads as the funds allowed.

Richard Jordan, 303 Jordan Rd
