

1,257 Black & Latino Startups That Have Raised \$1M+

2023 Diverse Founder Report

March 2024

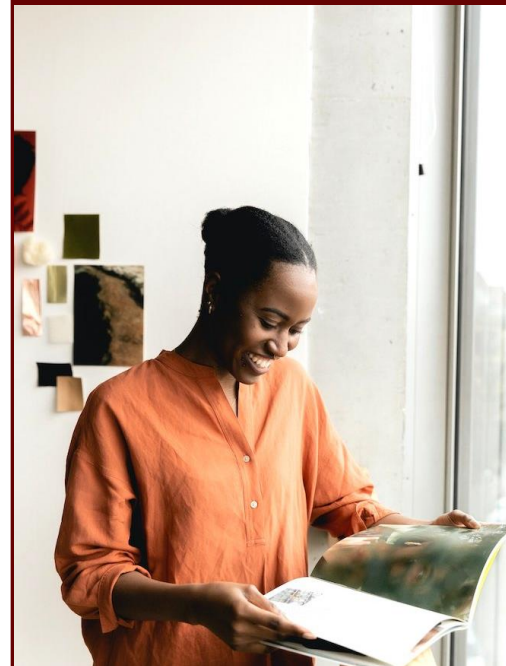

Introduction

This is our 2023 Diverse Founder Report, which tracks Black and Latino US based founders that have raised \$1M+ in venture funding per Crunchbase data.

This year the report expanded from 1,128 companies to 1,257 companies. We also now show detailed information on the 40 diverse unicorns and added a Most Promising Startups list.

The full list of 1,257 companies can be found in [airtable](#).

Key Findings

- 1) The 1,257 companies raised \$48.3B of capital with a median raise of \$6.7M
- 2) Women-led companies represent 33% of total companies, but only 19% of capital raised
- 3) Seed rounds represent 34% of total companies, but only 4% of capital raised
- 4) Software, Fintech, and Healthcare represent 34% of companies, but 41% of capital raised
- 5) California and New York represent 56% of companies, but 58% of capital raised
- 6) There have been 40 unicorns with \$22B of total capital raised
- 7) 2023 saw a 35% decrease in rounds, with the largest percentage decline seen in Series B & E

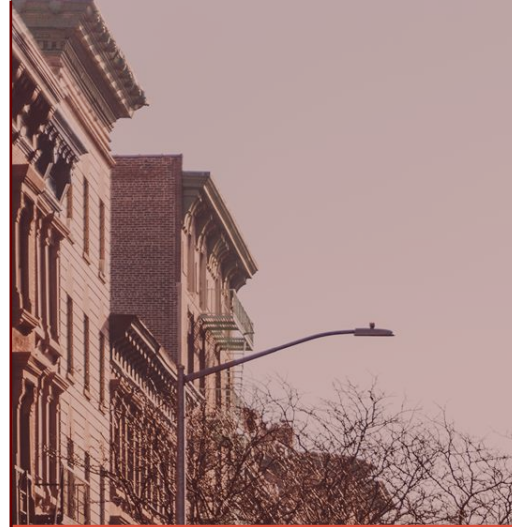

HCP Outlook

Though there has been a slow down in the overall VC funding market in 2023, we've added:

- ❖ 129 Black & Latino founded companies to the \$1M+ VC funded list
- ❖ \$4.6B incremental capital raised
- ❖ 3 new diverse unicorns
- ❖ 2 new investors to the list of those who have made 25+ investments into Black & Latino founders

We've also seen above market raise amounts across stages from 50+ Black & Latino founded companies in 2023, with 25 experiencing consistent growth YoY despite market conditions. Check out the Top 25 Most Promising Startups later in this report.

Harlem Capital is confident that we will continue to see growth in the Black & Latino VC funding market as more companies scale and more diverse investors enter the space.
