CATHOLIC HIGH SCHOOL GUIDE

THE ARCHDIOCESE OF
DETROIT GUIDE FOR
FAMILIES EXPLORING
CATHOLIC HIGH SCHOOLS

Get Started!

Visit www.detroitcatholicschools.org to view a map of the school locations and admissions contact information.

■ Step 1: Research Your Options

- » View the profiles for each school in this book, and visit their websites to learn more about the schools that interest you.

■ Step 2: Contact the Schools

- » Each school has a dedicated admissions office to help you through the process. Their contact information is included in this book. They will be your main source of information as you explore their school.

■ Step 3: Visit

- » Find a way to get on campus - take a tour or go to an event!

■ Step 4: Apply

- » Submit an application to your school(s) of choice, making sure that you are following any deadlines. Most schools ask for a completed application by mid-December.

■ Step 5: Research Tuition Assistance

- » The Archdiocese of Detroit offers tuition assistance, and applications are available at www.detroitcatholicschools.org/tuition-assistance-scholarships.
- » Most Catholic high schools offer scholarships and financial aid to families. Contact the schools directly to learn exactly what options you have.
- » Talk to the school! The earlier you have the conversation, the more options the school will have available to help!

FAITH DEVELOPMENT:

Catholic identity is in the forefront of life at Austin Catholic High School. Students lead daily prayer and mass is scheduled weekly. Additional liturgical programs run throughout the year as well as community service opportunities to meet service experience requirements for graduation. Retreats focus on the core values of truth, unity, and love. True to our Augustinian mission, we encourage students to develop a lifelong commitment and passion for service to others. Service is experience-related and required all four years at Austin Catholic High School.

UNIQUE ACADEMIC OFFERINGS:

Austin Catholic prepares its students to think critically, solve problems creatively and work independently. Student learning plans are tailored to the academic needs and abilities of the student throughout the four years. Academic opportunities and advancement are available through honors class sections, CTE opportunities, advance placement, and dual enrollment at community college. OUR STEAM program includes core math and science curriculum as well as fine arts and religion components to solve real-life problems. With new science labs, a fine arts curriculum and team-taught classes, student experience a full range of academic and fine arts related learning. Ninth, 11th and 12th grade seminars support students with mini units on study skills, SAT/ACT prep and college and career readiness. All students participate in "minimester" a two-week exploratory unit designed to meet graduation requirements. During minimester, students select a variety of experiences ranging from sewing to historical sites in Michigan to designing a pop-up store business model. Minimester focuses on group engagement, core values and life/career skill development.

FAITH DEVELOPMENT:

We provide students with a faith-based learning environment both inside and outside the classroom. While nearly 90% of our students are Catholic, a multitude of other faiths are represented within our community as well. Students are required to take four years of theology courses, attend weekly mass, participate in annual class retreats and complete at least 44 service hours over four years. We also participate in a variety of extracurricular events and activities — including our annual Be the Difference Day and the nationwide March for Life rally in Washington, D.C. — to put our faith into practice.

UNIQUE ACADEMIC OFFERINGS:

Bishop Foley's college preparatory-based curriculum is comprised of over 100 course offerings, including more than 20 AP and honors classes. On average, our class sizes are no more than 17 students per classroom, ensuring that we prioritize individualized instruction and foster meaningful connections between our teachers and students. We also provide a variety of learning accommodations for students who require them. Additionally, we offer a variety of hands-on exploratory electives and dual enrollment opportunities for our students through approved colleges or universities.

FAITH DEVELOPMENT:

Everest fosters in students a personal friendship with Jesus, rooted in love for him and in awareness of being his disciple. This relationship grows through daily prayer, optional daily Mass, weekly school Mass, opportunities for confession, one-on-one formation coaching, a virtue program, and annual class retreats. Students are empowered to think critically and integrate Christ-centered principles into their decision-making. Everest teaches students to be Catholic Christian leaders who are capable of utilizing their strengths, so they can fulfill the unique plan that God has for each of them.

UNIQUE ACADEMIC OFFERINGS:

Everest's college-prep curriculum includes honors, AP, and dual enrollment classes, 1:1 technology, and numerous electives. High school students study English, science, math, theology, and social studies. Additionally, they meet graduation requirements for studies in modern language, technology, fine arts, physical education/health, and electives. In 2023, Everest expanded its current elective offerings with new options including Robotics III. The robotics course expands Everest's current technology offerings to provide students with the opportunity to work with two brand new robots from FANUC, preparing students to be industry-ready in the field.

ATHLETIC OFFERINGS:

- Boys: Soccer, Football, Basketball, Ski, Hockey, Golf, Baseball, Track & Field, Lacrosse, Powerlifting, Wrestling
- Girls: Volleyball, Cross Country, Golf, Basketball, Sideline Cheer, Ski, Track & Field, Hockey, Softball, Tennis
- Athletic opportunities depend on availability and student interest. If you are interested in an athletic opportunity not listed, feel free to ask.

CO-CURRICULAR CLUBS & ACTIVITIES:

At Everest, your child can make new friends and explore their interests and God-given talents through sports, fine arts, special events, and clubs. The culture of the school supports the development of well-rounded individuals. Students are encouraged to explore many different areas of interest. Here you'll find football players participating in school plays, artists competing on the volleyball court, and future engineers participating in public speaking contests.

FAITH DEVELOPMENT:

FGR focuses on growing relationships with God among our students. The four pillars of Campus Ministry are Encounter (meet Him), Prayer (know Him), Discernment (listen to Him), and Mission (make Him known). Our Campus Ministry activities are designed to complement the academic and catechetical learning that takes place within the four years of theology class, and help students become intentional disciples of Christ. All students attend Holy Mass twice weekly, with optional daily Mass available. Weekly Bible Studies are available. Annual retreats are taken by each grade level and the Sacrament of Reconciliation is offered multiple times each week. Service hours are required each year. Our Households program provides opportunity for students and faculty to forge authentic relationships as we strive to love God and love others.

UNIQUE ACADEMIC OFFERINGS:

FGR offers a Capstone program that goes beyond AP. This elective offers students an opportunity to explore in depth an interdisciplinary topic of their choosing, preparing to present a 30-minute presentation at the end of the semester as a culmination of their high school learning experience. Philosophy electives have recently been added to complement our theology courses. We offer a variety of advanced science courses including Honors Anatomy and Physiology and Advanced Chemistry (also known as Food Chemistry) as well as AP Chemistry, Physics C, and Biology. Currently, a total of 12 AP courses are offered across the curriculum.

FAITH DEVELOPMENT:

Our Catholic faith is at the forefront of a St. Mary's Prep education. All students are required to attend weekly campus masses in the Shrine Chapel of Our Lady of Orchard Lake on campus. All students take four years of theology courses and participate in annual grade level retreats. Students are all required to participate in service-learning projects with service hours being an academic requirement for each school year.

UNIQUE ACADEMIC OFFERINGS:

We have a unique partnership with both Lawrence Technological University and Madonna University in which our students are given the opportunity to earn actual college credit. The typical St. Mary's senior will graduate with 12-16 college credits. AP and honors courses are offered at every grade level. Sophomore students take a unique highly intensive humanities course that gives them a 6-week rotation of the following: ACT/SAT Prep, Robotics, Debate/Forensics, music technology, computer science and art. This allows students to experience, as an underclassman, a variety of elective routes they may be interested to pursue during their junior and senior years. Students take eight 45-minute class periods in a school day, one of those being a school wide 4th period seminar hour designed specifically like a study hall.

FAITH DEVELOPMENT:

Guided by the Holy Spirit, under the Mantle of Mary, Our Lady of the Lakes Catholic School forms disciples through Catholic Tradition, personal discipline and academic excellence. As our school mission statement, this is the guiding practice for all we do. We give witness to our faith by our actions. We have daily theology classes, attend Mass each week, grade level spiritual retreats and participate in Christian service. Extensive outreach and service projects include food, toy and blood drives as well as working with nursing homes, food banks and within our parish community.

UNIQUE ACADEMIC OFFERINGS:

Student choice drives curricular offerings, allowing for many opportunities not found in most high schools. Students can intern inside and outside of our school building, pursue a passion project, collaborate with peers in our student engagement center, or they can choose to pursue a more traditional college bound track filled with AP and other advanced coursework. Lakes offers 26 Advanced Placement courses (in person, online, or through independent study), small class sizes, and Oakland Technical. Our Anchor Program specifically helps students that have special learning needs or require extra assistance, integrate into general education classrooms. Our resource room provides support for students with specific learning disabilities as well as for students who need a quiet place to work, academic support, or an alternate testing location.

ATHLETIC OFFERINGS:

FAITH DEVELOPMENT:

Students develop a personal and active faith in God (Goal I). Sacred spaces are available for student reflection, regardless of religious affiliation; in fact, the Academy of the Sacred Heart has often been called “a Catholic school for children of all faiths.” In addition to the religion instruction offered at every level, opportunities for spiritual growth abound, ranging from formal all-school liturgies to prayer services and daily espacio, a time for silent reflection during the academic day. A theology course is required annually and weekly service is part of the Upper School schedule.

UNIQUE ACADEMIC OFFERINGS:

In addition to many Honors and AP courses offered on campus, we offer advanced online classes should your daughter have an interest that we don't current offer. In addition to weekly service scheduled every Thursday morning where each student participates in a local service project off campus in small multi-age groups, every Upper School student participates in an 8-day experiential learning opportunity every year in locations around the globe using the Design Thinking process. Through the lens of the Goals and Criteria, students gain awareness of the world around them.

FAITH DEVELOPMENT:

The Theology program at Regina High School merges intellectual, intrapersonal, and active elements of faith formation. Students at Regina are provided many opportunities to nurture their personal relationship with God. They encounter Jesus Christ and his Church through personal prayer, communal worship, sacraments, and meaningful retreats. Students become Christ for others through community service and outreach experiences that reinforce the value of our Franciscan tradition and Christian mission. The spiritual and theological foundation received at Regina provides a strong ethical framework for students' choices to transform themselves and the world for Christ, just as St. Francis did.

UNIQUE ACADEMIC OFFERINGS:

Regina offers a full range of college-preparatory courses designed to deepen curiosity, improve critical-thinking skills, inspire creativity, and appeal to a variety of student interests. Regina's STEM program encourages students to develop and apply scientific and technological knowledge and skills across disciplines through inquiry and authentic engagement. Our rigorous curriculum includes 11 honors and 8 AP courses to further challenge students and prepare them for the academic tasks of college. Regina focuses on hands-on learning through our Corewell Health Beaumont Nursing Co-op and Team Rehabilitation Co-op. DE LA SALLE COLLEGIATE

14600 COMMON ROAD, WARREN, MI 48088
DELASALLEHS.COM | 586-778-2207

De La Salle Collegiate is dedicated to the Lasallian Catholic education of its diverse students, including the poor and disadvantaged. We are a college-preparatory school inspired by the spirit and tradition of St. John Baptist de La Salle, where learning takes place in the presence of God. Each student is encouraged to develop his faith, character, intellect, and morality. This mission is embodied in the school's motto: "Builders of Boys. Makers of Men."

FAITH DEVELOPMENT:

Our Theology Department seeks to both catechize and evangelize our students in order to foster within them a life of Christ-like virtue and deep knowledge of the truths of the faith. We offer weekly mass, attend an all-school mass once a month, and the boys have several retreat and community service opportunities, including Kairos retreat twice a year. We strive to foster an environment of faith that produces reciprocal respect among all persons in the community and to establish an atmosphere in which community members may openly bear witness to the Gospel values.

UNIQUE ACADEMIC OFFERINGS:

17 AP, 21 Honors Classes, and dual Enrollment opportunities with the University of Detroit Mercy allow our students to challenge themselves at a high level. The Loepp Family Foundation Pilot Center offers support to students who need additional academic resources. Our rigorous academic programs, combined with the spiritual, moral, physical, and social programs help form well-rounded young men prepared for college and beyond in the Lasallian tradition.

LOYOLA HIGH SCHOOL

15325 PINEHURST, DETROIT, MI 48238

WWW.LOYOLAHSDetroit.ORG | 313-861-2407

Loyola High School is an all-male Catholic high school run in the Jesuit tradition; nurtured in a culture of hope and academic success, drawing upon the experience and expertise of over 450 years of Jesuit education. The Loyola philosophy of education is to enhance and enrich the mind, heart, body, and spirit. We seek to graduate young men who are prepared for the next stage of formal education – college, university, or skilled trades program – and who will give back to the community as "Men for Others."

FAITH DEVELOPMENT:

Morning Prayer is held every day at 8:00 a.m. for all students, faculty, and staff. Together, we build upon our faith, and strengthen our connection to Christ. As a faith community, we gather for all-school Masses once a quarter, and engage in community service. Every grade level participates in a retreat each year which allows time for reflection and spiritual development. The goals of a Jesuit education are to be Loving, Religious, Open to Growth, Intellectually Competent, and Committed to Doing Justice.

UNIQUE ACADEMIC OFFERINGS:

One of the unique experiences of a Loyola education is our Work Experience Program. It allows junior and senior students to spend one day a week working in respected companies and organizations throughout metro Detroit. They acquire invaluable knowledge as they learn how to carry themselves confidently in professional roles, while they obtain real-world experience that helps them find success beyond their academic studies.

Dual enrollment through the University of Detroit Mercy.

ATHLETIC OFFERINGS:

- Football, Basketball, Rugby, Baseball, Track & Field, Bowling

CO-CURRICULAR CLUBS & ACTIVITIES:

- Numerous clubs and activities including National Honor Society, Chess Club and more

FAITH DEVELOPMENT:

As a Catholic school in the Jesuit tradition, U of D Jesuit's mission is to form "Men for Others" for the Greater Glory of God and live out the Gospel message through faith and service. Students are required to take Theology each semester and live out our shared faith through optional daily Mass, monthly all-school Masses, daily prayer, and community service. Retreats and reflections are offered at each grade level, culminating in our Kairos retreat senior year. Community service is a hallmark for U of D Jesuit, as we partner with organizations, such as Focus: HOPE and Gleaners Food Bank throughout the year. Our service program is highlighted by our Senior Service program which has been a staple at U of D Jesuit since 1971. Our seniors spend 14 Wednesdays throughout the school year volunteering at soup kitchens, food pantries, schools, or medical facilities for an entire day and living out our mission. We aim to form young men who will be intellectually competent, religious, loving, open to growth, and committed to doing justice.

UNIQUE ACADEMIC OFFERINGS:

U of D Jesuit offers 14 AP and a number of honors classes, as well as dual enrollment opportunities to allow students to challenge themselves at a high level, beginning in 7th grade. Students can further challenge themselves by taking classes through the Arrupe Virtual Learning Institute (AVLI) which connects students to a network of Jesuit educators around the world. Our Arrupe Learning Center provides support to all students with learning challenges. Peer and faculty office hours are also available for those students who seek additional help.

ATHLETIC OFFERINGS:

- U of D Jesuit offers baseball, basketball, bowling, cross country, Esports, football, golf, hockey, lacrosse, skiing, soccer, strength training, swimming, tennis, track & field, wrestling, and intramural sports

CO-CURRICULAR CLUBS & ACTIVITIES:

- Our mantra at U of D Jesuit is that nobody should be a 2:45 PM man. We encourage all of our students to get involved in one or more of the 40+ co-curricular offerings we have at the school, spanning from academic & professional development opportunities, arts & creativity, cultural awareness, environmental & sustainability, faith & spirituality, news & media, recreation & hobbies, and social & advocacy groups. More information can be found on our website.
