

STUDY ABROAD PROGRAM | SUMMER 2022

"A Taste of Europe" Austria, Germany, Switzerland, Italy, France

Are you looking to broaden your culinary knowledge and global insight?

The Rosen College of Hospitality Management invites you to experience a "Taste of Europe" throughout Austria, Germany, Switzerland, Italy, and France! Students will learn the European approach to culinary studies, as well as gain food and beverage knowledge on a variety of specialty products – including a wide array of cheese, chocolate, wine, bread, and cultural delicacies.

While abroad, students will engage with international food and beverage professionals, sample local products and participate in hands-on culinary exercises. All participants are expected to remain engaged in the experience as they try new things – foods, beers, and wines.
