Why Hourspace?

We always felt there was a better, more human way to find event spaces. So we built it. A platform that's a showcase of what owners and seekers value, just faster and more accurate in its reflection of people and their tastes.

A space where we can begin to understand what seekers wish for and what owners hope for, rooted in their common and shared interest - the love of beautiful spaces.

For Space Seekers

Unique and curated spaces

We meticulously critique and approve every single space. Uniformity, conformity, ease of use - they all matters to us.

Design first

Not only the spaces themselves, but the way in which they're displayed and can be explored. Design and appeal also matter to us.

Fast, precise results

Using a powerful search engine driven by relevant, specific criteria. Romantic, rooftop, industria? Sure. City, speakeasy, moody? No problem.

Safe and secure

With thorough reservation, cancellation and refund protection policies, alongside industry-leading encryption and the highest security protocols.

The Team Behind Hourspace

We are people. People who want to connect with other people to realise their dreams and potential, whether they're space owners or space seekers.

We value trust. We hope to build relationships. We aim to do it through passion and shared experience.

Very simply, we believe in unearthing and realising the potential of every beautiful, unique and idle space.

Most of all, we believe in the power of these spaces in bringing people together to share in something unforgettable.

The screenshot shows a web browser window with the URL <http://hourSpace.co>. The page header is green with the 'hourSpace' logo on the left, a search bar in the center, and 'Bookings' and 'Messages' links on the right. A user profile picture is also visible. The main content area is divided into two columns. The left column contains a progress indicator with three steps: 1. Step 1: The Basics (Space, details, guests), 2. Step 2: Setup (Photos, description), and 3. Step 3: Last details (Pricing, availability, settings). The right column is titled 'Set your cancellation policy' and includes a note: 'Choose the policy that works for you. Please note HourSpace charges a 5% processing fee which is non-refundable.' Below this are three radio button options: 'Flexible - Full refund up to two days prior to event, except processing fees', 'Moderate - Full refund up to five days prior to event, except processing fees' (which is selected), and 'Strict - 50% refund up to one week prior to event, except processing fees'. A question asks 'How long will you hold a reservation prior to receiving payment? (at least 24 hours)' with a text input field containing '2 days'. At the bottom of the form are '← Back' and 'Next' buttons.

While we're moving as fast as we can to make sure our product hits the shelves in time rather than for Summer 2019, we may be delayed. We believe in quality first, and we'd rather get it right the first time than do it twice!

We're more than certain that we should be up and operational by November 2019, at which time our doors will be open to the world where space seekers will be feasting their eyes on your amazing space. If it happens sooner than that - we'll let you know!

We look forward to giving your space a home
