NARRATIVE

About 4:27 pm on Friday, 06/30/23, Officer Zayas in the J425F responded to a radio call for a motor vehicle accident with injuries at 803 Jamaica Plain.

Also assisting on scene were Sergeant Farrell (J913), Auto investigator Dipiro (LD22), Officer Acosta (J412F), and officers Powell and Smith in the J201F.

Upon arrival, officers observed BFD and EMTs attending to the motor vehicle accident. Officers observed the vehicle inside the home's left side, indicating a significant impact. The sequence of events indicated that the vehicle went through the metal fence outside the home, then crashed into and drove over the bushes before ultimately colliding with the left side of the porch/house (foundation), causing significant damage to the front porch, foundation, bushes, and metal fence.

Upon further investigation, officers proceeded to check on the driver of the vehicle and her child, who were inside the ambulance when officers arrived. The driver, identified as (REDACTED), stated she was traveling inbound on Centre Street when another car began to pull away from the curb (REDACTED) stated she swerved the car left to avoid a collision with the vehicle and could not hit the brakes fast enough before colliding with the home (REDACTED)

explained to Officer Zayas that the other driver of the other vehicle did not appear to check their mirrors or assess the situation before pulling out. Officer Zayas observed vehicle #1, a gray 2019 Honda Civic (MA/ [REDACTED] with significant frontend damage, located in the left front yard of the above address, with the frontend of the vehicle into the foundation of the home, over the bushes, the steering wheel airbag deployed, and blood on the top left side of the back of the passenger seat.

Officers observed blood on the left side of [REDACTED] shirt by the shoulder area [REDACTED] appeared to be physically unharmed and reported no injuries at that time.

Ambulance A20 EMTs (Taylor/Gartley) told Officer Zayas that the child suffered injuries, including bruising around the left eye and a deep laceration on the left eyebrow, resulting in profuse bleeding from the wound area. Officer Zayas then observed the injuries of the child that the EMTs noted. EMS transported both [REDACTED] and the child [REDACTED] to Children's Hospital for treatment.

The officer also spoke to the driver of the other vehicle involved, [REDACTED], a gray 2015 Honda CRV, who stated that he was barely out of the parking spot, along the curb, and barely in motion when he noticed a car driving down the street from behind him, at a high rate of speed. He stated he did not pull away from the curb due to the high rate of speed that vehicle #1 was traveling in his direction. [REDACTED] noted that the vehicle (MA, [REDACTED] passed by him quickly and then suddenly turned left, crashing into the home of 803 Centre Street. He emphasized that he was not close to hitting the car and believed that the other driver was speeding. He confirmed that the other vehicle had not damaged or touched his vehicle.

The owner of the property ([REDACTED]) arrived on the scene while the officers were there, and officers informed the owner of the property of the damages and incident. Officers instructed the owner to contact her home insurance for more information and assistance repairing the damages.

It should be noted that [REDACTED] stated that both she and her child had their seat belts on at the time of the accident, with the child seated behind the passenger seat.

It should also be noted that the child was not in a booster seat, which is a violation of the law, "All children riding in passenger motor vehicles must be in a federally approved child passenger restraint that is properly fastened and secured until they are 8 years of age or over 57 inches tall. Children older than 8 years of age or taller than 57 inches must wear seat belts."

As a result, a 51A report was filed due to neglect and failure to use a proper car seat for the child's safety. DCF was notified [REDACTED]

Officer Zayas later checked on the victims' well-being at the hospital and to gather any additional information.
