

IEEE
COMPUTER
SOCIETY

Conference Technical Co-sponsorship

Benefits

IEEE and IEEE Computer Society Branding

- IEEE brand quality assurance validation
- IEEE and IEEE Computer Society (IEEE CS) brand worldwide recognition and prestige
- Use of the IEEE and IEEE Computer Society logos on conference website and collateral, such as CFPs and promotional materials
- Conference publication can be submitted to IEEE Xplore® and the Computer Society Digital Library

Marketing/Promotional Support

- Through the IEEE CS website:
 - Inclusion on the IEEE CS Conference Calendar
- Through the IEEE CS marketing request form:
 - Opportunity to promote the call for papers, the call for participation, and any registration announcements (request using the Conference Marketing Request form: <https://bit.ly/cs-conference-marketing>)
- The endorsing Technical Community (TC) may provide additional marketing and promotional support

Services

Publications

- Receive a discount on the cost of publishing through Conference Publishing Services (CPS)
 - To work with CPS and receive the discount, a conference should complete the CPS inquiry form, noting IEEE sponsorship: <https://ieeecps.org/#!/cif/conference>
 - Completion of any IEEE publication forms and submission of content for inclusion in both the IEEE Computer Society Digital Library (CSDL) and IEEE Xplore® is done on behalf of the conference if publishing with CPS
- Legal coverage related to copyright/patent/plagiarism issues
- Access to tool to identify possible plagiarism cases in initial submissions

Costs

- \$1,850–\$2,450 application fee
- \$22 per accepted paper submitted to IEEE Xplore®
