

# Hello and welcome to Appledore Touring Park

Appledore Park is a small family run caravan park. Tim & Rebecca have been caravanning for over 25 years and this park was built with their experience in mind. The Park is divided into glades, Cherry, Oak, Holly, Apple, Maple, Beech, Birch and Willow if you look closely you may see these trees around the glades.

There are many places of interest in the surrounding area including Drago Castle, Rosemoor Gardens and Dartmoor National Park for more places to visit please look in our information room, on our website or ask Tim & Rebecca.

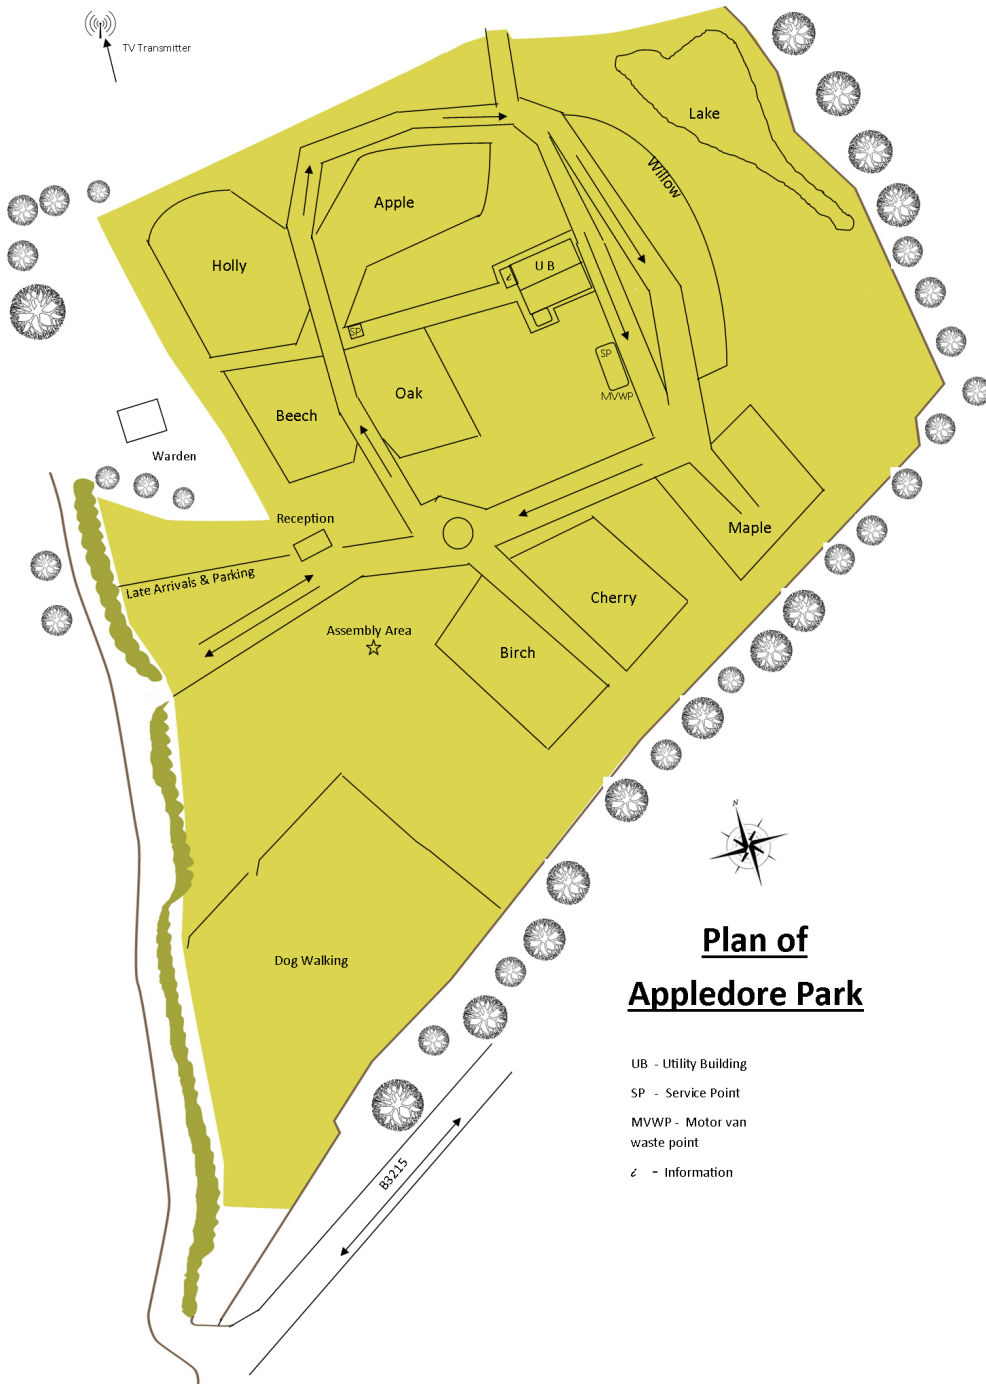

If you like walking there are a number of routes in the area just ask. For those with bikes, we are less than a mile for National Cycle Route 27, which is part of the Devon Coast to Coast route. We are also a short distance from the Granite Way.

If you require any more ideas please ask we are always willing to help, but also if you find something that other people might appreciate in please let us know so that we might pass it on.

We hope you have a pleasant and enjoyable stay.

Best wishes

Tim & Rebecca
