Dear [Manager's Name],

I am writing to formally resign from my position at [Company Name], effective [last working day, e.g., "September 30, 2023"].

During my time here, I've genuinely appreciated the opportunities I've had to grow and develop my skills. However, I feel that the company culture and certain management decisions are not aligned with my personal and professional values. Despite raising my concerns on several occasions, I believe there hasn't been a constructive resolution. I've come to realize that it's in the best interests of both myself and the company for me to seek opportunities elsewhere.

I am committed to ensuring a smooth transition, including assisting in finding a replacement or training a team member to take over my responsibilities.

Thank you for the experiences and lessons. I hope that my feedback will be taken constructively and can lead to positive changes within the organization. I wish [Company Name] all the best in its future endeavors.

Sincerely,

[Your Name]
