

Regional Food Academy Order Form.

In order to participate in practical sessions in the RFA you will require a **white food coat with no external pockets** and a suitable pair of shoes that are for **use in the RFA only**. Please note that the food coat IS NOT the same as the white laboratory coat which you will need to work within the science laboratories (Princess Margaret Laboratories) – you will need to purchase one of these as well.

If you decide to provide your own shoes please ensure that they are of strong construction, cover all of your foot, have a low heel and a nonslip sole. Flip-flops, canvas shoes and sandals are not suitable.

If you would like us to order these items for you please fill in the form below and return it to:

Clare Hutchinson, Regional Food Academy, Harper Adams University, Edgmond, Newport, Shropshire. TF10 8NB.

All order forms must be accompanied with payment by 3rd September 2015
Cheques should be made payable to HAU
