

Care Management Coalition

of Western New York, Inc

The Care Management Coalition of WNY is a collaborative network providing a wide range of human services to individuals and families, while improving access to organizations and systems. Conversation around the creation of the coalition began in 2015, a capital campaign was launched, and the final capital funds were received in 2020. Construction began in March of 2020 allowing for EPIC – Every Person Influences Children, Parent Network of WNY and Mental Health Advocates of WNY to move in October of 2020 while construction was nearing completion. The remaining agencies moved in during February of 2021. Phase 1 of the Capital Campaign is complete; however, additional funding is being pursued in Phase 2 for expansion and accessibility investments. Additionally, funds have been received for operations and programming, as well as to hire staff.

Capital Funders:

- The John R. Oishei Foundation
- Key Bank/First Niagara Foundation
- The Peter and Elizabeth C. Tower Foundation
- Live Well Erie
- NYS OPWDD
- The Ralph C. Wilson, Jr. Foundation
- The James H. Cummings Foundation
- Patrick P. Lee Foundation
- Garman Family Foundation

Operations/Program Funders:

- Community Partners
- Key Bank/First Niagara Foundation
- Western New York Foundation
- Health Foundation of Western and Central NY
- Prizm Document and Technology Solutions

Additional Building Partners:

- Jericho Road Community Health Center
- Broadway Pediatric Clinic
- WNY Imaging

Beyond Support Network offers a multitude of services for children and adults with disabilities, including School Age, Preschool, Daycare, Day Habilitation Services, Employment Services, Contract Services and so much more. We take a person-centered approach in offering services to meeting individuals' specialized needs. Beyond Support Network aims to maximize independence and support individuals in being productive members of their community.

Project Play Western New York envisions a community in which all children have the opportunity to be active through sports regardless of zip code. Every child—regardless of location, income or ability—should have access to fun and fulfilling physical activities that build confidence and set them on a path for lifelong success. A quality youth sports experience can build happier children, healthier families and stronger communities.
