'iStart aims to make Raj youths job givers'

TNN | May 28, 2022, 08.26 AM IST

Jaipur: iStart divisional outreach and awareness workshop series concluded at Techno Hub Jaipur. The workshop was organised by the department of Information Technology and Communications. The department has so far conducted five outreach and awareness programmes in Kota, Jodhpur, Bikaner, Bharatpur and Udaipur divisions. iStart has conducted workshops to promote innovation and entrepreneurship culture among Rajasthani youths and adolescents.

The workshop was inaugurated by Sandesh Nayak, commissioner and joint secretary, DoIT&C. Nayak said that the department is ready to take the iStart mission to the next level in the coming days. The ultimate goal of this mission is to make Rajasthani youths job givers instead of job seekers. In this event under iStart School, renowned speakers Rajendra Lora from Fresh-O-Cartz, Nidhi Bhatia Mehta and Kritika Sethi shared their knowledge with the fellow startups and budding entrepreneurs on topics like "How to Raise Funds", "Green Business Canvas" and "Patent, Copyright, IPR and Legal Rights" respectively. tnn
