

EASY SOLUTION FOR CUSTOMERS THAT WANT THE ABILITY TO SHOP INDEPENDENTLY

FEATURES

- Easy to connect Hitch Mechanism
- The hitch mechanism is self-centering and easily attaches to most personal wheelchairs
- Convenient drop down back gate for nesting and easier reaching
- 4 - 5" swivel casters for easy maneuvering
- Durable powder coated steel frame

Connecting to a personal wheelchair is as easy as 1-2-3!
Place red fork on the chair's frame, wrap chain tightly around the frame and under the red fork, and secure the chain in the bar's groove to attach! Your shopper is ready to go!

When Handy Cart™ is connected to a personal wheelchair, your shopper is ready to go! Shoppers with personal wheelchairs will discover how shopping can be easier and give them the independence they want. The Handy Cart™ attaches to most personal wheelchairs and is safe and easy to use.
