CORAL VIEWING AND SNORKELLING ADVENTURES

Take the opportunity to experience the world's Southern-most coral reef and immerse yourself in the diversity of Lord Howe Island's amazing marine environment.

CORAL VIEWING TOUR (GLASS-BOTTOM BOAT) (2HRS)

View the pristine beauty of one of the worlds untouched reef systems. Learn about this unique marine environment and discover a new world on our glass bottom boats. This tour focuses on exploring the coral seascape and introduces visitors to some of the more unusual lagoon inhabitants such as the endemic double-header wrasse, stingrays and turtles.

An optional snorkelling experience at Erscott's hole is available or you can just relax on the boat and view the stunning diversity of this exotic marine location.

ULTIMATE SNORKELLING TOUR (2HRS)

Erscott's Hole

Erscott's Reef

Comets Hole

The Horseshoe

Join us on our **Ultimate Snorkelling Tour** to four of the lagoon's most amazing coral gardens.

Erscott's Hole

Located on the inside of the western reef, and dominated by a luxuriant garden of staghorn coral, Erscott's Hole is famous for its Double Header Wrasse and Spangled Emperors.

Comets Hole

An incredible variety of marine life is found in this deep coral hole, ranging from massive Black Stingrays to animated clown fish.

Erscott's Reef

Boasting the greatest coral density and diversity within the lagoon, Erscott's reef offers a range of snorkelling experiences, from the deep western tip of this reef to its shallow eastern side.

The Horseshoe

A shallow reef dominated by neon coloured corals and mesmerising Butterflyfish. (This site is the perfect location for those learning to snorkel)

Learn about Lord Howe Island's fascinating marine life during our Coral Viewing tour; then experience it for yourselves, up close, on our Ultimate Snorkelling tour.

GUIDED KAYAKING TOURS

Kayak on one of the world's most beautiful lagoons and explore secluded coral holes, visit deserted beaches and learn about the Island's amazing marine environment.

Admiralty Island's Kayak Tour

Kayak from Ned's Beach to Roach Island, the largest Islet in the Admiralty group. Paddle through the 'Arch' and be amazed by this incredible geological feature; snorkel a pristine reef and learn about the Islands seabirds.

PRIVATE EXPERIENCES

Design your own tour

We offer an extensive range of tours around the island. Our tours can be tailor made for all levels of ability and fitness, from challenging adventures through to relaxing eco-experiences.

Mount Gower Trek

A private Mount Gower Trek is perfect for those seeking the ultimate solitude of this mountain environment and is tailored made to suit your unique requirements, focussing on your specific interests.

Kayaking

Kayaking trips can be designed for paddlers of all ages and ability levels.

Glass Bottom Boat Charters

A private charter is a wonderful way to discover the amazing biodiversity of this southern reef. Experience this marine wonderland on a safe, comfortable and eco-friendly glass bottom boat charter for up to 18 passengers. Perfect for families, groups or individuals.

MT GOWER TREK

The Mount Gower Trek justly deserves its ranking as one of Australia's top day walks.

Mount Gower is the highest point on World Heritage listed Lord Howe Island; standing at an impressive 875m, it offers a unique opportunity to experience the Island's amazing natural history and World Heritage values which include some of the rarest flora and fauna on the planet.

Bookings can be made at the Lord Howe Environmental Tours Boatshed or by calling 02 6563 2260.
