18 NEW FOOD ITEMS VYING FOR VOTES AT THE 2024 GREAT ALLENTOWN FAIR

State and county fairs are known for some crazy and delightful concoctions of food that tantalize the taste buds of hardy fair going crowds—many deep fried and on a stick!

For the 172nd Great Allentown Fair coming up on Wednesday, August 28 and running through Labor Day Monday, September 2, Allentown Fair President Daryl Urmey has challenged concessionaires to come up with a new treat at their stands.

Concessionaires are counting on fairgoers to belly up to their counters and try something new—at least new for their menu of goodies offered at the fair.

For his part, Urmey is going to award a prize for the best new item as chosen by fairgoers that have tasted and voted for their favorite.

Location-map can be found on the Fair’s website at AllentownFair.com. Fairgoers are to look for the red diamond shaped signs at the participating food stands, inside Agri~Plex, at each entry gate and at both InFAIRmation booths. To vote, scan the QR code to vote for their favorite tasty treat.

Grandstand stage production sets were getting bigger every year. In **1992**, the roof could no longer hold the extensive lighting and suspended speakers many stars required, so the Society decided to give it a lift. The Alvin H. Butz Company reconstructed and raised it.

All the rage teen acts, The Backstreet Boys (1998), Britney Spears (1999), 98 Degrees (1997, 1999, 2001) LFO (2000) and Destiny's Child (2000), brought back the fan hysteria that greeted The Osmonds in the 1970s at the Allentown Fair.

June 14, 1988 - The house that Billy Ritz built, the famous Ritz Barbecue that had stood as a Fairgrounds landmark 60 years and held countless memories for the “greasers” of the ‘50s who made it their hangout and their offspring who reveled in its nostalgia, burned in a three-alarm blaze. The tremendous effort by the Allentown Fire Department, the commitment of proprietor Jeff Stinner to rebuild, and the round-the-clock exertion by The Alvin H. Butz Company allowed the Ritz to miraculously reopen in time for the 1998 Fair.

Smoke Alarms at Home

Smoke alarms are a key part of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly.

FACTS

- A closed door may slow the spread of smoke, heat, and fire.
- Smoke alarms should be installed on every level.
- Roughly 3 out of 5 fire deaths happen in homes with no smoke alarms.

Candy came to the Allentown Fair two weeks before the Fair so that he could visit radio and television stations to promote the event. Longtime fairgoers looked forward to his arrival. The Burbank, California resident claimed Allentown as his second home.

Candy last visited the Fair in **1994** and he passed away May 19, 1999. The Morning Call carried a substantial write-up worthy of an accomplished citizen, Candy would have loved it, it was on the "Local" page.

SCHNECKSVILLE FAIR PRESIDENT EMORY MINNICH RECEIVES HONOR

It is with great pride that the Schnecksville Community Fair announces that its president, Emory Minnich, received the Lehigh County Farm Bureau Award for Outstanding Service to Lehigh County Agriculture. The award was presented by Lehigh County Farm Bureau president Bill Boyd on Agricultural Recognition Night at the Great Allentown Fair on Thursday, August 31.

Emory was the eldest of seven children born to Russell and Minerva Minnich and grew up in Weisenberg Township, Lehigh Co., PA. Emory began attending 4-H when he was about 12 years old until 18, holding several office positions and winning several awards showing registered Ayrshire dairy cattle at the Kutztown, Reading and Allentown Fairs. He was involved with the FFA during high school at Northwestern Lehigh, holding several positions including Vice President and President. This gave him the knowledge to rent land and farm on his own for several years after high school.

He was involved with the Seipstown Grange, assisting at serving dinners, and participating in square dance

competitions at Kutztown Folk Festival. Later he joined Laurys Grange, serving as master until he was drafted into the Army. He had served as a township supervisor for six years.

An active member of the Schnecksville Fire Company, Emory has served as 1st Vice President for several years as well as a former trustee and does numerous tasks volunteering.

He has been the President of the Schnecksville Community Fair since 2005, volunteering countless hours overseeing many aspects of the fair. Emory handles booking rides and entertainment, upkeep of the grounds and buildings, making repairs on electric and water lines, and takes care of behind-the-scenes correspondence and paperwork. Every year he works hard setting up for the fair and tearing down when it's over. He leads the board of directors in monthly meetings and much more. Emory is a true example of volunteer service. A more hard-working and dedicated worker could not be found. The Schnecksville Community Fair couldn't be prouder that Emory has received this award.
