### Check Your Remote

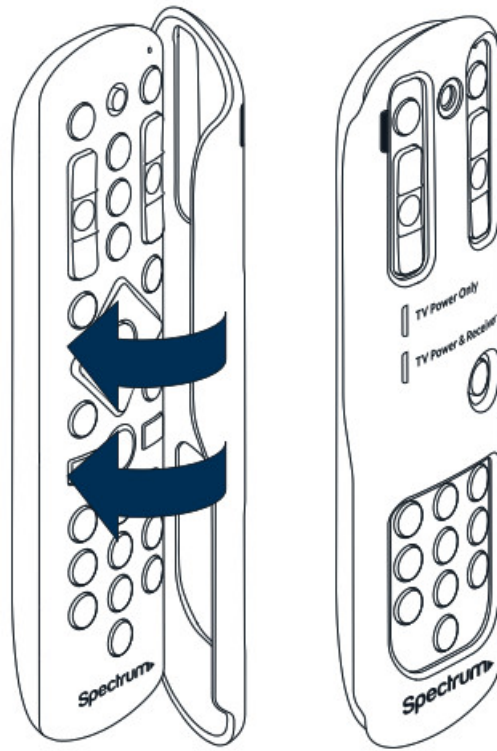

**Important:** This cover is designed for a Spectrum Remote (provided separately) and won't fit on other remotes.

**A.** Refer to the diagram to make sure you have the correct remote.

**B.** If you haven't already programmed your remote, visit [spectrum.net/spectrumremote](https://spectrum.net/spectrumremote) for instructions.

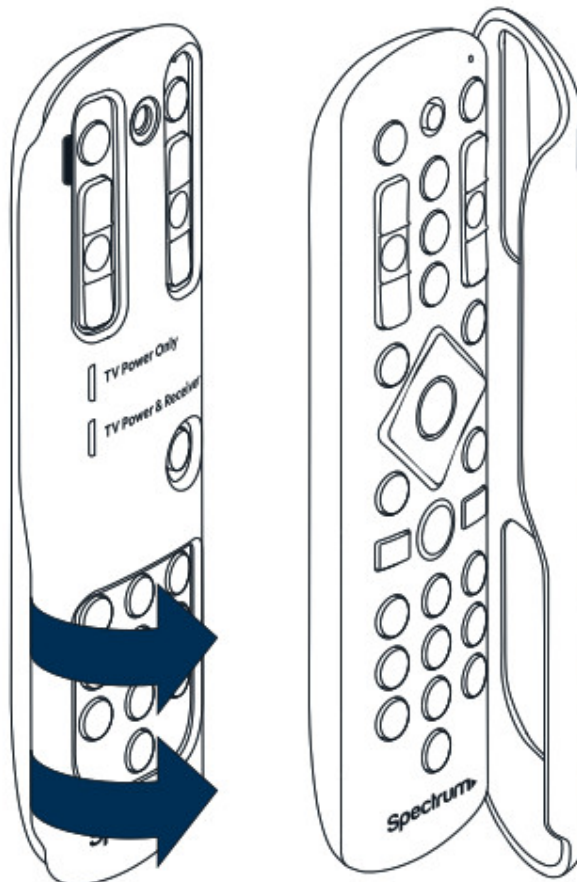

## STEP 2

### Attach the Cover

- A Line up the cover above the remote.
- B Press down firmly until the cover snaps into place.
- C Your cover is now attached, and you're all set to use the remote.

### Removing the Cover

- A Firmly hold the remote.
- B Pull up on the side of the cover until it unsnaps from the remote.
