Presenting **NEW MAHINDRA TREO**  
Electric 3-Wheeler. Powered by Lithium-Ion Technology.  
**EARN MORE SPEND LESS.**

**TREO**  
SOCH BADLO KISMAT BADLEGI

Mahindra Treo is a revolutionary new range of electric three-wheeler autos and rickshaws. Powered by the advanced Lithium-ion technology, Mahindra Treo offers higher savings, superior ride quality and best-in-class interior space. Ride the change with Mahindra Treo for a better tomorrow!

### Key highlights:

#### Higher Savings

Low running cost of only 50 paise per km., leading to saving of up to Rs. 45000 every year in fuel cost\*

#### Advanced Technology

Zero maintenance, lithium-ion battery with 3 years standard warranty & minimum 5 years of life.

#### Best In Class Performance

With 8kw Power, 42 Nm Torque Treo offers best-in-segment acceleration and torque which makes driving an enjoyed experience. Its high gradeability of 12.7 degrees makes it easy to climb slopes & flyovers

#### Driver & passenger comfort

Treo offers a clutch-free drive. Noise-less, vibration-free, comfortable ride. Its seats are specially designed for driver and passenger comfort. The ergonomically designed brake pedal offers effortless breaking.

#### Excellent safety

Treo's IP 67 rated motor gives enhanced protection from water & dust entry. The in-built rear crash guard protects passengers in case of rear impact. The optional hard top roof provides all-year weather protection.

#### New generation styling

Attractive dual headlamps. Digital dashboard for a quick view of the distance to empty and charge status.

#### Cutting-edge modular design

Space-frame architecture. Rust-free modular SMC panels for dent-free body and easy repair or replacement.

#### Cloud based mobility platform ( NEMO\*)

Remote monitoring of range, speed, location and much more for efficient utilization of fleet.

#### Quick charging

Charging the Treo is as simple as charging a mobile phone. It takes just 3 h 50 min to charge Treo and 2 h 30 min for Treo Yaari. A top up during lunch break can give you over 20\*\* km of additional running.

#### Excellent visibility for drivers

Larger windscreen area ensures great visibility for maneuvering in bumper to bumper traffic.

Backed by the trust of the Mahindra brand and service network of 140+ dealers

Exclusive benefits through UDAY program

- Accidental death insurance policy of ₹10 lakh#

\*NEMO - Cloud-based mobility platform for vehicle tracking and monitoring

\*\*Calculated as per typical driving range
