

Special Requirements Notice Agreement

Leased Space Designation: _____.

Business Name:

Address:

City, State, Zip:

Your leased space is located in a Wellfield Protection Area. That means that the underground water in this area is a source of drinking water for the people in Marion County. Improper use, storage, or disposal of chemicals can contaminate the ground water and make it unsafe to use. You can protect your drinking water supply with the following steps:

- Keep chemicals, even common cleaning products and vehicle maintenance supplies, in tightly-closed, leak-proof containers
- Store chemicals where they are protected from the weather
- Do not dump wastes, liquids, or dry chemicals on the ground
- Dispose of unwanted materials in designated waste containers
- Clean up any spills promptly

Please indicate your understanding and acceptance of the requirements of this notification by signing below and returning a copy of it to the facility manager for documentation.
