## OUR MISSION & PARTNERS

The Marion County Wellfield Education Corporation (MCWEC) is a not-for-profit corporation established in 1996 by the Marion County Wellfield Protection Zoning Ordinance to help support the prevention of contamination to the groundwater resources of Marion County, Indiana, through public awareness and education. We are NOT a regulatory agency.

## Are Your Business Operations Impacting Our Drinking Water?

### FREE & CONFIDENTIAL BUSINESS ASSESSMENTS

### Keep Our Water Clean!

Marion County Wellfield Education Corporation

We partner with Mundell & Associates, a local environmental consulting firm to provide assessments, education and technical assistance to businesses in Marion County wellfields.

## WHAT IS AT RISK?

Chemical spills, leaks, and improper storage can lead to pollution of water which seeps into the ground and travels to drinking water wells. The area around a drinking water well is known as a wellfield protection area. Businesses in wellfield protection areas are required to follow the Marion County Public Health Department's Wellfield Protection Code.

## WHAT CAN I DO?

The Marion County Wellfield Education Corporation offers FREE & CONFIDENTIAL assessments for businesses in wellfield protection areas to ensure compliance with the health code and keep contamination out of our drinking water.

**1** Schedule a free and confidential consultation for your business.

**2** Complete a site visit with a trained environmental professional.
