

San Juan

2,039 Sq. Ft. | 4 BR | 2 BA

The peaceful and private lifestyle you've always wanted awaits in this stunning single-story courtyard-entry home.

The floorplan is spread over 2,103sqft of living space with three bedrooms and two bathrooms with space for everyone. The heart of the home is sure to be the open-concept kitchen, breakfast room, dining room and living room with lovely views out over the backyard. A generous pantry, ample counter space and an island are all yours in the kitchen and you can also look to upgrade the appliances and even add a workstation. There are optional built-in cabinets in the living room along with covered patio options for entertaining outdoors. Your master suite features a walk-in closet, a bay window and a master bath, with upgrade options, while bedroom three could be transformed into a study. You can choose from four statement elevation styles or you can expand the two-car garage, add an outdoor kitchen and even add a casita with a third bathroom.
