AT LA SIENNA

COVENANTS & RESTRICTIONS SUMMARY

You have chosen to live in one of the most beautiful and well-operated communities in South Texas. Silos is a part of the Master Planned Community of La Sienna. It will remain a premier community because the homeowners support strict compliance with the Covenants, Conditions and Restrictions (CCRs) that govern the community. To maintain the overall aesthetic qualities desirable in a first-class community, certain activities, design standards, maintenance requirements and property uses must be restricted. The governing body charged with maintaining the desirable qualities and enforcing the restrictions is Silos Home Owners Association, Inc. ("Association"), a Texas Corporation governed by a Board of Directors and operated under the By-Laws. A Declaration of Covenants, Conditions, and Restrictions for the entire La Sienna Development has been filed of record. Specific and individual Covenants, Conditions and Restrictions are or will be filed for each community within the Development. Please refer to the individual CCR documents for more detailed information (www.Rhodespmgt.com). Listed below are some of the items found in the Declarations that apply to Silos and are intended for general information only.
