

JEE Main Question Paper Analysis 1 February 2024 Shift 1

JEE Main Question Paper Analysis 1 February 2024 Shift 1: The JEE Main Paper 1 Exam 2024 was conducted in the morning shift from 9 AM to 12 PM today, Feb 1. Candidates who attended the exam can check the [JEE Main](#) Question Paper Analysis 1 February 2024 Shift 1 here.

As per the initial reactions, candidates felt the difficulty level of the Feb 1 Shift 1 exam was moderate to difficult. Overall the paper was balanced with Mathematics being lengthy and moderately difficult compared to Physics and Chemistry which were easy. Most of the questions were asked from NCERT textbooks.

The JEE Main 2024 Paper 1 question paper consisted of questions from the Physics, Mathematics, and Chemistry subjects. There were a total of 300 questions, and candidates had 3 hours to attempt the paper. Likewise, candidates can check the [JEE Main Question Paper 1 February 2024 Shift 1](#) and [JEE Main Shift 1 Answer Key 1 February 2024](#) to analyse their performance.

Detailed JEE Main Question Paper Analysis 1 February 2024 Shift 1

The detailed JEE Main Question Paper Analysis 1 February 2024 Shift 1 is given in the table below:

Analysis Parameters	JEE Main 1 February 2024 Shift 1 Paper Analysis
Overall Difficulty Level	Moderate to Difficult

Section wise Difficulty Level	Physics	Easy
	Chemistry	Easy
	Mathematics	Moderate
Was the Paper Lengthy?		Mathematics was lengthy
Number of Good Attempts		To Be Updated
Important Topics Asked		<p>Physics: Modern Physics, Semi-Conductors, Laws of Motion, Work Power & Energy, Gravitation, Circular Motion, Magnetism, Kinematics, Wave Optics, Heat & Thermodynamics, Capacitance, Current Electricity</p> <p>Chemistry: Salt, Biomolecule, Amino Benzene, Aniline, Assertion & Reasons, Inorganic Chemistry</p> <p>Mathematics: Vector 3-D, Integer. Differential Equations, Conic Section</p>

Candidates must note the above-given analysis is based on the comments from candidates who attended the Feb 1 Shift 1 exam and the subject experts. Feb 1, 2024 is the last date of the JEE Main Session 1 Exam 2024. As the session 1 exam concludes, the authorities will release the provisional JEE Main Answer Key 2024 along with the question papers and candidates' response sheets.
