Candidates can check the detailed JEE Main Session 1 January 28 Shift 2 Question Paper Analysis 2025 from the table below.

## **JEE Main Physics Analysis 28 January 2025 Shift 2**

Check the detailed JEE Main Physics Analysis 28 January 2025 Shift 2 below:

Particulars	Details
Difficulty Level	Moderate
Topics Asked	Ray Optics, Magnetism, Mechanics, Kinematics, Rotation
Was the Physics Section Lengthy?	yes

## **JEE Main Chemistry Analysis 28 January 2025 Shift 2**

Check the detailed JEE Main Chemistry Analysis 28 January 2025 Shift 2 below:

Particulars	Details
Difficulty Level	Easy to Moderate
Topics Asked	Biomolecules, GOC, Bonding, Inorganic, Electrochemistry, Thermodynamics
Was the Chemistry Section Lengthy?	No

## **JEE Main Mathematics Analysis 28 January 2025 Shift 2**

Check the detailed JEE Main Mathematics Analysis 28 January 2025 Shift 2 below:
