

JEE Main 2025 Paper Analysis Jan 24 Shift 2

JEE Main 2025 Paper Analysis Jan 24 Shift 2: On January 24, 2025, the National Testing Agency (NTA) conducted the JEE Main 2025 examination in two shifts. The JEE Main Today's Shift 2 Paper Analysis 24 January 2025 is available below for the candidate's reference. Students who appeared for the second shift can explore the difficulty level and topic-wise question distribution here. Note that the breakdown will serve as a guide for candidates preparing for upcoming shifts. Candidates can go through the JEE Main Today's Shift 2 Paper Analysis 24 January 2025 here, candidates can check the student reviews and expert analysis below.

JEE Main Shift 2 Exam Paper Analysis for 2025 January 24: Student Reviews

The first reactions of the candidates for the JEE Main Today's Shift 2 Paper Analysis (24 January 2025) has been provided below.

- January 24 Shift 2 examination was easier when compared to all the previous shifts in JEE Main 2025.
- Many questions were similar to the previous
- 10-12 questions in Physics were formula based.
- Questions from the Physics section were a little tricky.
- 3-4 questions were asked from Organic Chemistry.
- 2-3 questions were asked from Modern Physics.
- 1 question was asked from Current electricity.
- 2-4 questions were asked in Physics section related to graphs.
- From Physics, the questions were application based.

JEE Main 2025 Paper Analysis Jan 24 Shift 2: Difficulty Level

Students can check the JEE Main Paper Analysis 24th January 2025 Session 1 below:

JEE Main Physics Analysis 24 January 2025 Shift 2

Check the detailed JEE Main Session 1 Day 1 Shift 2 Paper Analysis 2025 for the Physics section below:

Particulars	Details
Difficulty Level	Moderate
Topics Asked	Current Electricity, Electrostatics, Modern Physics, Magnetism, Wave Optics
Was the Physics Section Lengthy?	No

JEE Main Chemistry Analysis 24 January 2025 Shift 2

Interested candidates can go through the table below to know the JEE Main January 24 Shift 2 Paper Analysis 2025 Session 1 for the Chemistry section:

Particulars	Details
Difficulty Level	Easy to Moderate
Topics Asked	Name Reaction, Mole Concept, Salt Analysis, GOC, Biomolecules, Amino Acids, Coordination Compounds

Was the Chemistry Section Lengthy?	No
---	----

JEE Main Mathematics Analysis 24 January 2025 Shift 2

The detailed JEE Main Paper Analysis 24 January 2025 Session 1 for Mathematics paper has been provided below:

Particulars	Details
Difficulty Level	Moderate
Topics Asked	Vector 3D, Matrices, Determinants, Sequence and Series, Differential Equation, Area, Permutations and Combinations, Probability
Was the Mathematics Section Lengthy?	Yes
