

**SUMMARY OF METRA PROCUREMENT**

<b>Award To:</b> Stadler US, Inc.		<b>Amount:</b> \$335,400,255.00
<b>Procurement:</b> New Battery Powered Trainsets		<b>Contract No.:</b> PA0002045
<b>Proposal Due:</b> 12/16/22	<b>Funding Source:</b> Capital (FTA/CMAQ) (IDOT) (RTA) & (MET) (Phase funded)	<b>Lead:</b> K. Clifford
<b>Term:</b> Five Years	<b>Type:</b> RFP	<b>Category:</b> Rolling Stock
		<b>Responsible Dept.:</b> Mechanical

**ODBE:**

This contract is being awarded in accordance with federal Transit Vehicle Manufacturers (TVM) requirements.

**Recommendation:**

Award a contract to Stadler US, Inc., the highest ranked proposer, for new battery powered trainsets.

**Background:**

On May 23, 2022, Metra published a Request for Proposal (“RFP”) seeking qualified firms to provide proposals for new battery powered trainsets.

The configuration of the base order trainset is a two-car, self-propelled trainset consisting of a cab control car on each opposite end of the trainset that is powered by batteries. Additional order cars consist of trailer cars with toilets and trailer cars without toilets.

Item Description	Unit Price	Qty.	Total Price
8 Battery Trainsets (Base Order)	\$12,635,000.00	8	\$101,080,000.00
Engineering, Training, Manuals & Warranty (Base)	\$39,210,675.00	1	\$39,210,675.00

<b>Base Order Total</b>			<b>\$154,893,855.00</b>
8 Battery Trainsets (Additional Order)	\$12,635,000.00	8	\$101,080,000.00
Trailer Car w/ toilet (Additional)	\$2,534,090.00	16	\$40,545,440.00
Trailer Car w/o toilet (Additional)	\$2,430,060.00	16	\$38,880,960.00
<b>Additional Order Total</b>			<b>\$180,506,400.00</b>
<b>Grand Total</b>			<b>\$335,400,255.00</b>

**Proposal Evaluation:**

Email notifications were sent to 844 vendors registered for two relevant commodities in the vendor database. Two vendors responded, and one has previously transacted business with Metra. The proposals received are summarized below:

**Proposers**

---

Stadler US, Inc., Salt Lake City, UT

Siemens Mobility, Inc., Sacramento, CA

The Evaluation Committee used the following criteria to score the proposals: Compliance with Metra Specification; Firm Qualifications and Experience, Key Personnel Qualifications and Experience, and Proposed Staffing Plan; Manufacturing Capabilities; Production and Delivery Schedule; Warranty and Field Support; Training; and Price.

The Committee recommends awarding a contract to Stadler US, Inc., the highest ranked proposer.
