

ONLY DREAMING

Mickey Mantle, Swifty Lazar,
Or a cowboy, or a fireman landing spaceships on the moon.
I was only dreaming, dreaming ... Too soon.

Hanging roses on M-16's,
While we tried to write the song of peace we thought might change the world,
But we were only dreaming, dreaming.

Chorus:

Someday soon is just a sweet lullaby
Swaying the bough until the baby's cradle fell,
No hungry heart is ever truly satisfied simply dreaming, dreaming,
Oh, well...

Love was a nursery rhyme, sung by an child,
Lacking any understanding of workings of the mind.
Fools in love were dreaming, dreaming... or simply blind.

(But) Then something happened that I cannot explain,
When at 62 you looked into my eyes, and I knew
I'm no longer dreaming, and one dream, baby one dream
Came true.
